Notifying country Finland

Product category Electrical appliances and equipment

Type Consumer

Product &nbsp;

Brand Unknown

Product description Phone travel battery charger "Nokia" (BML 162 089 R1A 402 0038-UK).

Risk type Electric shock

Risk description Risk of electric shock. Incompliant creepage distance and clearance between the mains circuit and the secondary circuit that can be touched; insufficient clearances / creepage between the primary and secondary windings, between the conductive patterns of the primary and secondary circuits; Insufficient resistance to fire of the plastic housing. The charger does not comply with the Low Voltage Directive and the relevant European standards.

Country of origin Unknown

Measures ordered by public authorities Other : Recall ordered by the authorities.  
Other

Alert number 0266/05

Notifying country Finland

Product category Communication and media equipment

Type Consumer

Product &nbsp;

Brand Unknown

Product description Ozaki rectangular Multimedia speakers (EM-616).

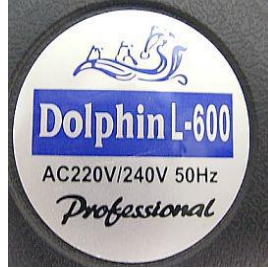

Risk type Electric shock

Risk description Risk of electric shock. Unsafe conductor and soldering insulation; possible contact with live parts; incompliant creepage distances and clearances in the mains transformer; misleading switch connected to the secondary circuit not separating the whole apparatus from the mains. The speakers do not comply with the Low Voltage Directive and the relevant European standards.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Recall ordered by the authorities.  
Other

Alert number 0265/05

Notifying country Finland

Product category Lighting equipment

Type Consumer

Product &nbsp;

Brand Unknown

Product description Fluorescent Luminaire, Aquarium “Dolphin” (L-600).

Risk type Electric shock

Risk description Risk of electric shock. Incompliant lamp holder; live parts easily accessible (pins of the fluorescent lamp, contacts of the fuse; insufficient insulation of the reflector). The lamp does not comply with the Low Voltage Directive and the relevant European standards.

Country of origin Unknown

Measures ordered by public authorities Other : Recall ordered by the authorities.  
Other

Alert number 0264/05

Notifying country Slovenia

Product category Decorative articles

Type Consumer

Product &nbsp;

Brand Unknown

Product description Decorative round Oil lamp "MENU" (N° 4748019).

Risk type Chemical  
Fire

Risk description Type of risk: Fire / child poisoning. The filler cap can be opened by a single movement (instead of two independent movements); oil leaks at angle less than 90°. The oil lamp does not comply with the relevant European standard.

Country of origin Denmark

Measures ordered by public authorities Other : Request from authorities to comply with the relevant requirements for further marketing.  
Other

Alert number 0263/05

Notifying country Spain

Product category Toys

Type Consumer

Product &nbsp;

Brand Unknown

Product description Arrow rifle toy set including a rifle, a bow and four arrows "ARROW" (N° 126-1).

Risk type Injuries

Risk description Risk of injury. The protective suction caps can be easily removed (traction < 60 Newton) and the arrows are projected with a kinetic force of 0,42J; missing safety information. The arrow rifle does not comply with the Toys Directive and the relevant European standards.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from distribution ordered by the authorities.  
Other
