Product description	Travel adaptor "Swiss World Adapter" (brand unknown) No.1692426.
Risk type	Electric shock
Risk description	Risk of electrocution. Possible access to live parts. The adaptor does not comply with the relevant standards.
Country of origin	People's Republic of China
Measures taken by economic operators	Other : Voluntary withdrawal from distribution and oral sales ban. Other

Alert number 0319/05

Notifying country United Kingdom

Product category Electrical appliances and equipment

Type Consumer

Product

Brand Unknown

Product description Electric cordless phone "KCM"(KX-T2206CID). Set including a central phone unit and a secondary cordless phone unit.

Risk type Electric shock

Risk description Risk of electric shock. Unsafe conductor fixation; internal wiring poorly terminated; incompliant rated voltage indication (220v); inadequate plug pins. The telephone does not comply with the Low Voltage Directive and the relevant European standards.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Product seized by the authorities.
Other

Alert number 0318/05

Notifying country United Kingdom

Product category Electrical appliances and equipment

Type Consumer

Product

Brand Unknown

Product description Electric 2 slice toaster "BOSS".with metal housing (YM-101/YM-102; 230V, 750W.)

Risk type Electric shock

Risk description Risk of electric shock. Insufficient electric protection; missing earth connection; the metal casing can become live in case of an insulation failure; excessive temperature of the metal sides of the toaster. The toaster does not comply with the Low Voltage Directive and the relevant European standards.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Product seized by the authorities.

Notifying country United Kingdom

Product category Electrical appliances and equipment

Type Consumer

Product

Brand Unknown

Product description Electric two-speed hair dryer "Deloni" (DH-68; 230V, 1250W).

Risk type Electric shock

Risk description Risk of electric shock. Insufficient cross section of the supply cord wires; if the low melting overheating protection operates, it can produce small particles of molten metal ejected from the nozzle of the dryer touching the user's hair/skin. The hair dryer does not comply with the Low Voltage Directive and the relevant standards.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Product seized by the authorities.
Other

Alert number 0314/05

Notifying country Italy

Product category Motor vehicles

Type Consumer

Product

Brand Unknown

Product description Megane II Renault Sport

Risk type Injuries

Risk description Risk of injury. Possible contact and damage between the front pipes and the brake disks, affecting the braking capacities.

Country of origin France

Measures taken by economic operators Other : Voluntary corrective action.
Other

Alert number 0313/05

Notifying country Germany

Product category Motor vehicles

Type Consumer

Product

Brand Unknown

Product description Motorbike "KTM" - KTM 990 Super Duke.

Risk type Injuries

Risk description Risk of injury. The design of the engine vent can result in one of the valve cover seals to be pushed out; due to the oil leakage, the oil can cover the exhaust and the rear wheel and cause fall.

Country of origin Austria

Measures taken by economic operators Other : Voluntary recall from consumers and corrective actions.
