Product

Brand Unknown

Product description Bicycle for children "BMX12" (no specified age group) Type/model: Unknown.

Risk type Chemical
Injuries

Risk description This product poses a risk of injury because: - there is no second breaking system; - there is no safety guard set on the chain; - contrary to requirements, space between stabilizer and rear wheel is less than 175mm; - metal elements all over the frame have sharp and abrasive edges; - contrary to requirements, protrusion of the screws fastening the mudguard on the front wheel and the ends of the break holders is more than 8cm long; - fastening screws are not rounded at the ends. In addition, concentration of the lead and chromium in the orange paint is higher than limits laid down in European Standard EN 71-3 and the product thereby poses a chemical risk.

Country of origin People's Republic of China
