Notifying country	Czechia
Product category	Electrical appliances and equipment
Type	Consumer
Product	
Brand	Unknown
Type / number of model	E0019
Barcode	8595070888938
Product description	Multiple socket-outlet Nanjing Light Industrial Products.
Risk type	Electric shock
Risk description	This product poses a serious risk of electric shock because: - the non-alignment of the holes of the socket and contacts of pins make the safe use of the product impossible; - the contact of the pin and the way of riveting of the earthing terminal of the socket do not comply with the requirements on reliable connection with an earthed conductor; - the white material of the socket burns when in contact with a glow-wire. This product does not comply with the Low Voltage Directive and the relevant standard IEC 60884-1.
Country of origin	People's Republic of China

Product description Portable luminaires for halogen lamps Bright light.

Risk type Electric shock

Risk description This product poses a serious risk of electric shock because: - the internal wiring inside the lamp bracket gets into contact with the sharp ends of the flexible tube protruding into the wireway, - the protecting tube, which is applied instead of the hard bushing, is not fixed, - the Hungarian instructions for use

include incorrect translation of the English version (according to the English version in case of a product of Class II “the fitting is double insulated and must not be connected to an earth”, while the Hungarian text states that such a product is provided with double-insulated earth wire). This product does not comply with the Low Voltage Directive and the relevant European standards.

Product

Brand Unknown

Type / number of model FA-01 V

Product description Electrical adaptor with surge protection POWER GUARD.

Risk type Burns

Risk description This product poses a serious risk of burns because: - heat chamber heats to temperature of 100 C; - during testing, changes occur that prevent the product from further use, including of embedding compounds melting down; - after testing, the imprint diameter is 5.0 mm; - plug of the adaptor

lacks technical specifications (current, voltage, type of power supply); - there is no user manual in Slovakian. This product does not comply with the Low Voltage Directive and the relevant standard IEC 60884-1.

Country of origin Unknown

Measures ordered by public authorities Other : Recall from consumers by the distributor and the supplier.

Product category Motor vehicles

Type Consumer

Product Motorcycle

Brand Yamaha

EC-type approval/model XV1600A

Risk type Injuries

Risk description In affected motorcycles, the engagement dogs of certain transmission components may be incorrectly machined, which could cause abnormal wear that eventually results in a broken retaining circlip. If the circlip breaks, the transmission could lock up, which would also cause the rear wheel to lock up during moving. This could lead to loss of control of the motorcycle.

Product Bow Bowman super power

Brand Unknown

Type / number of model 338AB

Barcode 5998230717278

Risk type Choking

Risk description This product poses a serious risk of choking because during the tests the suction cup placed as an impact surface at the end of the arrow became detached under 60 N. When the suction cup is removed it poses the risk of choking. Children usually suck the suction cup to moisten it in order to make it

stick better to the surface it hits. This toy does not comply with the Toys Directive and the relevant European standard 71-1.

Notifying country	Germany
Product category	Toys
Type	Consumer
Product	Toy gun with laser Super weapon
Brand	Unknown
Type / number of model	M-16 (on product)
Product description	Imitation harmless B/O Gun, NO: 9988.
Risk type	Damage to sight
Risk description	This product poses a serious risk of damage to sight because: - the power output of the laser is measured at 6 mW; - there is no warning or safety instruction relating to the laser. In view of the lack of information indicating that this gun contains the laser and the unacceptably high power output, the toy gun presents a particularly high, specific risk to children, because when aimed at the eye, the eyelid closing reflex offers inadequate protection.
Country of origin	People's Republic of China
Measures taken by economic operators	Other : Voluntary withdrawal from the market. Other

Product category	Toys
Type	Consumer
Product	Toy gun with laser B/O Guns Model Series
Brand	Unknown
Type / number of model	The Gunwold electronic series
Product description	Series No. 859 - A1 to A8.
Risk type	Damage to sight
Risk description	This product poses a serious risk of damage to sight because: - the power output of the laser is measured at 4 mW; - there is no warning or safety instruction relating to the laser nor information regarding classification. Given the lack of information indicating that the product contains a laser and the unacceptably high power output, the toy gun presents a particularly high, specific risk to children, because when aimed at the eye, the eyelid closing reflex offers inadequate protection.
Country of origin	People's Republic of China
Measures taken by economic operators	Other : Voluntary withdrawal from the market by the importer. Other

Alert number 0696/06

Notifying country	Germany
Product category	Gas appliances and components
Type	Consumer
Product	
Brand	Unknown
Type / number of model	TecTower RMT 7650, TecTower RMT 7651, TecTower RMT 7655
Product description	Gas-fired oven and oven with grill combined with a refrigerator for installing in mobile homes and caravans ‘Dometic’.Serial numbers: to 629xxxxx. The serial number and type specification are written on a factory plate attached to the inside of the refrigerator.
Risk type	Fire Injuries
Risk description	Screw connections in the oven gas supply pipe can leak, allowing gas to escape and ignite. The screw connections between the gas regulator valve and the burner are not tight enough, allowing gas to escape and ignite. Gas can escape only when the oven and/or the grill are in operation. The oven should therefore not be used until the appliance has been checked
Country of origin	Germany
