

Alert number 0207/07

Notifying country	United Kingdom
Product category	Toys
Type	Consumer
Product	Soft toys - Laugh and learn bunny
Brand	FISHER PRICE/MATTEL
Product description	All models are the same, but the code depends on the country of destination. Models: K2960 (Spanish), K2961 (English), K2963 (German), K2964 (Italian), K2965 (French) and K3440 (Greek).
Risk type	Choking
Risk description	This product poses a serious risk of choking because the pompom nose can detach and presents a choking hazard to young children. This product does not comply with the Toys Directive and the relevant European standard EN 71-1.
Country of origin	People's Republic of China
Measures taken by economic operators	Other : Voluntary recall from consumers by the importer Other

Alert number 0206/07

Notifying country Ireland

Product category Motor vehicles

Type Consumer

Product Passenger car

Brand Audi

EC-type approval/model Audi A3 (8P) 2.0 TDI with 6 SP Gearbox

Product description Passenger vehicle, hatch back model

Risk type Fire
Injuries

Risk description The dual mass flywheel may become damaged due to the configuration of the restrictor passage in the bleeder valve in the hydraulic pressure line for clutch actuation. This can happen if the clutch is engaged very abruptly, for instance if the pedal is allowed to spring back by itself. After causing unusual mechanical noises, the dual-mass flywheel will eventually fail completely. In unfavourable conditions this can lead to a fire in the vehicle.

Country of origin Germany

Measures taken by economic operators Other : Voluntary corrective action taken by the importer
Other

Alert number 0205/07

Notifying country Hungary

Product category Lighting equipment

Type Consumer

Product Desk lamp

Brand Unknown

Type / number of model 5501T SN, 5504 SN (on the packaging)

Risk type Electric shock

Risk description This product poses a serious risk of electric shock because the dimensions of the cord anchorage protecting against twisting and pulling force are inappropriate. When fastening the screw, it drops into the bushing hollow. In addition, the product poses a moderate risk of injuries because of the sharp burry edges of the metal decoration rim. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from the market and recall from consumers ordered by the authorities
Other

Alert number 0204/07

Notifying country Slovakia

Product category Clothing, textiles and fashion items

Type Consumer

Product Children's dress

Brand YOU JOY

Product description Size 6, Sample FZ-6119, 100% cotton

Risk type Injuries

Risk description This product poses a risk of injuries to children because of the length of the protruding parts of the cords (32 cm). According to the relevant standard, average length of the protruding part of the cords on the stretched clothing is 23 cm. There is a risk that a child might be caught through the waist protruding cords on to the surrounding objects. The product does not comply with the relevant European standard EN 14682.

Country of origin People's Republic of China

Measures taken by economic operators Other : Voluntary stop of sales, withdrawal from the market and recall from consumers by the importer, distributor and/or supplier
Other

Alert number 0203/07

Notifying country Czechia

Product category Childcare articles and children's equipment

Type Consumer

Product Pushchair

Brand PLATON 3 AIR

Type / number of model 370117

Risk type Chemical Injuries

Risk description This product poses a serious risk of injuries, namely crash, jam and break of fingers, because the product contains openings in the access zone where the fingers of a child could be entrapped. The product does not comply with the relevant European standard EN 1888. In addition, the product poses a chemical risk due to the high value of DEHP present.

Country of origin Germany

Measures ordered by public authorities Other : Sales ban ordered by the authorities

Product category Toys

Type Consumer

Product Toy motorcycle

Brand JUGUETILANDIA

Product description Reference 350 1101 (appears on the labelling). Item No 1101 (appears on the Chinese exporter's invoice).

Risk type Injuries

Risk description This product poses a risk of injuries, namely crash/jam of fingers, because the distance between the front wheel and the fork and between the rear wheel and the fork is greater than 5 mm and less than 12mm. Children's fingers may become trapped in the space between the wheels and the fork. Furthermore, the labelling includes the warning that this toy is not recommended for children under 36 months although it is a toy aimed at children of that age. This product does not comply with the Toys Directive and the relevant European standard EN 71-1.

Country of origin People's Republic of China

Alert number 0197/07

Notifying country Greece

Product category Motor vehicles

Type Consumer

Product Motorcycles

Brand KAWASAKI

EC-type approval/model ER650B6F/B7F

Product description It concerns Kawasaki motorcycles of model year 2006 (B6F) and 2007 (B7F), with serial numbers from JKAER650ABA009336 to JKAER650ABA040258.

Risk type Injuries

Risk description This product poses a serious risk of injuries because incorrect routing of the brake hose can cause the hose to contact the underside of the ignition switch body or screw at the right side of the steering head. Continued use in this condition can lead to damage of the front brake hose with the possibility of eventual leakage causing brake failure and the possibility of an accident. The brake hose routing could be incorrect if the incorrect diagram shown in the service manual was followed during pre-sales set up or while making other repairs or adjustments.

Country of origin Japan

Measures taken by economic operators Other : Voluntary corrective action taken by the importer
Other

Alert number 0196/07

Notifying country Greece

Product category Motor vehicles

Type Consumer

Product Motorcycle - Coolant hose coupling connecting horizontal head to thermostat

Brand DUCATI

EC-type approval/model SBK 1098 S

Product description The recall affects DUCATI model SBK 1098 S motorcycles within frame no. range ZDMH700AA6B000910 to ZDMH700AA6B001065 (EU version) and within frame no. range ZDM1XBEW57B000314 to ZDM1XBEW87B001215 (USA version).

Risk type Injuries

Risk description In the affected motorcycles, the coolant hose coupling connecting horizontal head to thermostat might break, leading to leakage at the cooling agent (liquid). There is the possibility of this liquid to reach the back tire, reducing its adhesion on the road.

Country of origin Italy

Measures taken by economic operators Other : Voluntary corrective actions taken by the importer

Product category	Electrical appliances and equipment
Type	Consumer
Product	Extension adaptor
Brand	LEXEL
Type / number of model	DX-BY-R
Barcode	8595140800228
Risk type	Electric shock Fire
Risk description	This product poses a serious risk of electric shock and fire because of: - combustibility of insulating materials; - insufficient thermal resistance of materials maintaining vital parts; - non-compliant parameters of plugs and movable sockets. This product does not comply with the Low Voltage Directive.
Country of origin	Unknown
Measures taken by economic operators	Other : Withdrawal from the market and information to consumers ordered by the authorities. Voluntary recall taken by the supplier Other

Alert number 0193/07

Notifying country Bulgaria

Product category Hand tools

Type Consumer

Product Hammer with slit for extraction of nails

Brand STANLEY

Type / number of model Unknown

Risk type Injuries

Risk description This product poses a serious risk of injuries because it is made of coarse, grey cast iron with high content of sulphur and phosphorus, graphite and other admixtures which leads to reduced sturdiness and deformation of the fork, which makes the product dangerous for the user as well as for other people standing near by. Cast iron has lower rigidity than high quality carbon steel and the steel intended for production of instruments, which is a precondition for faster scuffing of surfaces, especially in the conditions of continuous exploitation and high stress.

Country of origin Unknown

Measures ordered by public authorities Other : Sales ban and information to consumers ordered by the authorities
Other

Notifying country United Kingdom

Product category Toys

Type Consumer

Product Expandable toys - Coloured Growing

Brand Unknown

Type / number of model Unknown

Risk type Choking
Injuries

Risk description This toy poses a serious risk of: - choking because it contains small parts which can break off and fit wholly in the small parts cylinder; - injuries (blockage in the intestines) because after being swallowed the parts can expand as they pass through the digestive tract which could result in blockage in the intestines. The parts expand in all dimensions more than 50%. This toy does not comply with the Toys Directive and the relevant European standard EN 71-1.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from the market ordered by the authorities

Notifying country Hungary

Product category Childcare articles and children's equipment

Type Consumer

Product Plastic soother – Hot Flashing Pacifier

Brand Unknown

Type / number of model 011848

Risk type Choking
Suffocation

Risk description This product poses a serious risk of: - choking because the handle of the pacifier can detach by applying low force, become accessible and completely fits into the small parts cylinder; - suffocation because the cord of the pacifiers is longer than allowed by the relevant standard. Taking into account the usual behaviour of children, the detachable handle poses a risk of choking, while the too long cord poses a risk of strangulation to children under 3 years. The product does not comply with the relevant European standard EN 71-1.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from the market and recall from the consumers ordered by the authorities

Product category	Electrical appliances and equipment
Type	Consumer
Product	Residual current devices (RCDs)
Brand	ABB
Type / number of model	Serie F362, Serie F364, Serie F370, Serie F372
Product description	Series manufactured between January 2003 and May 2005. The letter "M" stands for RCDs from the affected series.
Risk type	Electric shock
Risk description	Residual current devices, which serve as protection against electric shock, are used to cut off the electric current in case of improper functioning of electric installation. These RCDs pose a serious risk of electric shock because they do not work when the product is faulty (it shows a significant divergence from the parameters, which are placed as patterns on the product). They can be used by consumers because they are installed in houses and users have access to them.

Notifying country	Germany
Product category	Electrical appliances and equipment
Type	Consumer
Product	Television sets
Brand	Loewe
Product description	Television sets types Aconda, Arcada, Calida, Cantus, Contur, Credo, CT, Ergo, Planus, Profil, Vitros, Xelos, and certain 100 Hz models from AHB and Tandberg
Risk type	Fire
Risk description	This product poses a risk of fire due to a manufacturing defect in the form of a weak soldering connection affecting television sets made between March 1999 and October 2001. The weak soldering connection can lead to partial overheating in the lower part of the set and - in the worst case - to a fire hazard. Damage to property has been reported. In a very small number of cases persons received medical attention owing to suspected smoke intoxication.
