Product **Mini squeaking duck, glows in the dark**

Brand **Duckling glow in the dark**

Type / number of model **Article No: 20/1018, EAN 4029811136469**

Product description **Cream-coloured, soft-plastic duck, approximately 4 cm in size; orange beak, blue eyes; small opening in base**

Risk type **Chemical**

Risk description **This toy poses a chemical risk because it contains an excessive amount of phthalate (di-2-ethylhexyphthalate DEHP) - 15.9 % by weight, which exceeds the limit of 0,1 % by weight. DEHP is classified as category 2 toxic for reproduction material. Phthalates have a negative effect on the development of male/female reproductive organs. Especially children are vulnerable as their body is developing and can be negatively affected by these toxic substances.**

Product	<b>Plastic bunny and tube - Happy Hours</b>
Brand	<b>VICTORY</b>
Type / number of model	<b>Model: Wind up bicycle</b>
Product description	<b>The toy consists of a plastic tube (16 cm height, 2 cm diameter), which contains multicoloured candies, and a toy on the top of the tube. The toy is of a shape of a grey-yellow little bunny riding a red bicycle, with two small back wheels and a big front one. The following warning is written on a paper inside the tube (in Greek): "ATTENTION: It contains small parts. Not suitable for children under 3 years old".</b>
Risk type	<b>Chemical</b>
Risk description	<b>This product poses a chemical risk because it contains : - 4.1% by weight of di-(2-ethylhexyl) phthalate (DEHP) , which exceeds the allowed maximum limit of 0,1% by weight set in the Chemicals Restrictions Directive 76/769/EEC; - 11.6% by weight of di-isononyl phthalate (DINP) and 5.1% by weight of di-isodecyl phthalate (DIDP), totally 16.7% by weight, which exceeds the allowed maximum limit of 0,1% by weight. Phthalates may cause harm to unborn children and poses a risk of impaired fertility.</b>

Product **Plastic wooden boat - Captain**

Brand **Smart Frames**

Type / number of model **SF 812 - bar code 5 414301 218128**

Product description **Plastic and wooden boat on a circular base with a plastic mirror and activity wires and beads attached. The sample was received in an open fronted, labelled, cardboard box packaging.**

Risk type **Choking  
Injuries**

Risk description **This product poses a risk of choking because the wooden fish of the toy was detached during tests and was divided into two pieces which fitted wholly within the test cylinder. This product poses a risk of injuries because the pointed end of the screw fastening on each of the three sucker feet became accessible when the suckers were easily unscrewed without the use of tools and were deemed to be potentially hazardous sharp.**

Product	<b>Multi-function meter</b>
Brand	<b>SAM FL16</b>
Type / number of model	<b>TEMPHASER SAM 6830781</b>
Product description	<b>The SAM FL-16 multi-function meter consists of a black casing with a digital display screen. It is accompanied by a set of test cords, two crocodile clips, a yellow thermocouple probe and user instructions. It weighs 360g and its dimensions are: 147 x 70 x 39 mm (H x L x D).</b>
Risk type	<b>Electric shock</b>
Risk description	<b>This product poses a risk of electric shock because: - the leakage currents and distances in the air measured between the dangerous live parts and the accessible part (the probe and the partly coupled crocodile clips) are less than the required 16 mm for leakage currents and 10.5 mm for distances in the air (reinforced insulation) for an effective working voltage of 600V; - the following indications do not appear on the measuring probes: the double square symbol for double insulation, the measurement category - CAT I, II, III or IV as applicable - or the probe's maximum rated current; - the product is accompanied by an incomplete notice for users. The following information is missing: Indication of the degree of pollution: 1, 2, 3 or 4. This product does not comply with the relevant European standard.</b>
