Product category	Motor vehicles
Type	Consumer
Product	Tyres for motorcycles
Brand	Michelin
EC-type approval/model	Dimension 120/70 ZR 17 for models Michelin Pilot Power 2CT and Michelin Pilot Power.
Product description	Tyres for the front wheel of motorcycles, dimension 120/70 ZR 17 for models Michelin Pilot Power 2CT and Michelin Pilot Power, bearing the following indications on the side: a) "MADE IN FRANCE" and b) "DOT 6UCW 980T" or "DOT 6UCW 979T".
Risk type	Injuries
Risk description	This product poses a serious risk of injuries because there is a possibility of a fault in the body of the tyre which causes deformation and material segregation in case of long usage under high-speed conditions. This could lead to reduction of the tyre's pressure and to a possible loss of control of the vehicle. Five incidents have reported but none of them led to an accident.

Product category Laser pointers

Type Consumer

Product Laser pointer, including 5 tips

Brand Super Powered Laser Pointer

Type / number of model Unknown

Product description Laser pointer with key ring equipped with various interchangeable attachments which can be screwed onto the end of the pen, so that the radiation beam can project novelty images onto the surfaces at which it is directed.

Risk type Damage to sight

Risk description The product poses a risk of damage to sight because the values for class 2 laser pointers are exceeded. The maximum power is between 2.36 and 4.17 mW and the measurement for continuous emission exceeds the maximum allowed limit of 1 mW. The radiation values are above those fixed for class 3A radiation by the relevant European standard EN 60825. The correct classification of this product is class 3B and there is therefore a risk of irreversible eye damage.

Product category	Toys
Type	Consumer
Product	Plush toy – Woofing Puppy 'BACU'
Brand	DEEF
Type / number of model	Bar code: 5901500200691
Product description	<p>Plush toy – woofing puppy is made of light crème coloured plush. The height is 30 cm. On the head of the toy there is loop. There is a red sticker on one of the paws – while pressing, the sound of woofing is emitted. On the back of the toy there is a sewed zip, which can be opened with one move, and inside there is place for 2 batteries, without any covers. With the toy there is a cardboard tag with bar code and inscription in Polish “Plush mascots DEEF”. There is also a label made of fibres with following markings: CE mark; “Plush mascot – made in China” (in Polish). There is also a warning that the toy is not intended for children under 36 months old and about the risk of swallowing small parts. There is also an instruction of washing and keeping the toy.</p>
Risk type	Choking Injuries
Risk description	<p>This toy poses a serious risk of injuries and choking because: - the zip can be easily opened by a child playing with it; the child can easily reach the batteries; - there is no user’s</p>

manual for the electrical toy and no information about the voltage of the battery; - the marking that the toy is not intended for children under 36 month is improper, because this type of soft, stuffed toys with simple construction, which are used for carrying and cuddling, are treated as toys for children under 3 years old. This toy does not comply with the Toys Directive and with the relevant European standards EN 71-1 and EN 50088.

Product	Stripy hooded top
Brand	Leela Cotton Naturtextilien Handels GmbH
Type / number of model	2027 86/92
Product description	Children's garment. Sleeveless stripy hooded top with "pixie" hood, 2 mother-of-pearl buttons at the neck and large front pocket. 100% organic jersey cotton.
Risk type	Choking
Risk description	The product poses a serious risk of choking since the buttons on children's clothing do not fulfil the requirements in the relevant standard. Including the spare button, the garment in question has three buttons present. Two garments were tested, resulting in all six buttons detaching before meeting the required force. On the first garment all the buttons detached at under 50 N. On the second garment one button detached at under 50 N, one at 52 N and one at 63 N. Five of the buttons broke into several thin pieces, while one detached while being set up for the test). The detached parts each fitted in the small parts cylinder and are deemed to pose a potential choking hazard to a child under 36 months. Size of garment tested was 12-24 months.

Product Eva puzzle mats

Brand Tianxiang

Type / number of model EAN: 8586666002326

**Product description** The toy contains 10 square blocks of various colours sized 90x90mm each. The mats are made of a foam material. On each block there is one letter of alphabet. The mats are packed in a squeezed transparent single-use foil containing a card with data on name of product, origin, CE marking, etc. On the card, there are two graphic symbols for age category, which does not comply with the requirements on marking of toys as concerns size, colour, etc.

Risk type Chemical

**Risk description** This product poses a chemical risk because it contains chemical substances such as, e.g.: - aceto phenone, - dimethyl benzene methanol, - ethyl benzene, - xylems, - 2-phenyl-2-propanol. These substances have harmful and irritant effects on skin, mucous membranes and central nervous system. While playing, a direct relatively long-term contact of the toy with the skin of a child is clearly unavoidable and a possibility of aspiration of chemical

substances highly probable. This toy does not comply with the Toys Directive and the relevant European standard EN 71-1.

Product                  Aquarium set containing cover with lamp

Brand                     AQUAEL

Type / number of model      Z2 PAP-60, EAN 5905546002615

Product description      Glass tank 60 x 30 x 30, cover with one 15 W fluorescent tube, thermostatically controlled heater, internal filter, thermometer, gravel, net.

Risk type                 Electric shock

Risk description      The product poses a serious risk of electric shock because: - the aquarium lamp has too low ingress protection against water; - the aquarium lamp is labelled as having IP23 protection (rainproof). IP23 is not permissible for aquarium lamps, which must have at least IPX4 protection (splashproof) if they are permanently fixed to the aquarium. If they are not permanently fixed, the level of protection must be as high as IPX7 (waterproof); - the lamp can fall into the water-filled tank and water can penetrate into the lamp coming into contact with live components, thus creating a risk of electric shock. This product does not comply with the Low Voltage Directive and the relevant European standard.

Product category	Cosmetics
Type	Consumer
Product	Bath lotion - Aquolina Bagno containing yogurt fragranza mousse di fragola
Brand	Aquolina
Type / number of model	All batches
Product description	White plastic bottle with black lid, volume 250 ml, pictures of strawberries and/or wild strawberries and/or apricots and/or citruses and/or cherries and/or coconut and/or vanilla on the label. Products exhibit a smell of the fruit. Contains warning labels.
Risk type	Chemical
Risk description	The products can be misused as food products because of their fruit yogurt aroma and the shape of packaging that resembles food. The product represents a serious health risk for children, as chemical pneumonia may develop after ingestion for following reasons. Unpleasant taste fortified by addition of denatonium benzoate (Bitrex) and the production of foam in the stomach due to the product formulation will cause vomiting after ingestion. Because of anatomical parameters of the apertura of larynx and aesophagus in small children, the vomited material can be more readily aspirated. In addition, when foam is produced, its aspiration can be probably foreseen. The products contain detergents and emulsifiers in their formulations, i.e. active surface agents, which have toxic damaging effects on bronchial and lung alveolar tissues. The chemical damage is followed by inflammation, i.e. pneumonia caused by chemicals present in the product formulation.
