Product category	Toys
Type	Consumer
Product	Fancy dress - "Robin Hood" costume for children
Brand	ATOSA
Type / number of model	ITEM QD 118/2-4 (69137), according to manufacturer's invoice. According to adhesive label: 10769137.
Product description	Costume for children aged 2 to 4, green in colour, consisting of boots, shirt, belt and cap with feather. Packaging is a clear plastic bag with a sheet of cardboard bearing a picture of the costume and the label that reads: "DISFRACES ATOSA CE, distributed by ATOSA, made in China: "Warning: keep away from fire. Keep plastic bag out of reach of children". Washing instructions, hand wash, no machine wash. Do not tumble dry. No bleach. 100% polyester, ages 2 to 4. Contains shirt, cap, boots and belt." There is an adhesive label with the text "www.toyplanet.es, 10769137, Robin Hood disguise costume 2-4" and the price.
Risk type	Burns Choking Suffocation
Risk description	The product poses a serious risk of: - burns because the average rate of spread of flame of the cap of the costume is 17.5 mm/s, while the maximum rate permitted is 10 mm/s; - choking because the foam in the cap is accessible from the inside of the same and pieces easily become detached, producing small parts which fits into the small parts cylinder. Pieces of the imitation leather belt, the red feather in the cap broke and the rivets on the front of the

shirt also become detached easily, producing small parts which fit into the small parts cylinder; - suffocation because the thickness of the bag, which has an opening perimeter greater than 380 mm, is 0.035+/-0.005 mm. The toy does not comply with the Toys Directive and the European standard EN 71-1.
