Product Magnetic treadmill

Brand ABISAL

Type / number of model HMS, B1700

Product description The treadmill is made of steel. The base is 70 mm wide. The tracking belt is 305 mm wide and made of gray coloured plastic.

Risk type Injuries

Risk description The product poses a serious risk of injuries because of: - too narrow place for feet on anti skid part of belt (it is 20 mm wide and should be at least 70 mm), - too narrow place for running on the tracking belt (it is 305 mm length instead of minimum 325 mm), - lack of information about the maximum allowed weight of user and class of use, - lack of essential information and warnings in user's manual. The product does not fulfil the requirements of the relevant European standard EN 957-6.
