Product category	<b>Toys</b>
Type	<b>Consumer</b>
Product	<b>Plush toy - Teddy bear with thermophore pillow</b>
Brand	<b>Unknown</b>
Type / number of model	<b>4016161 216859</b>
Product description	<b>It is a soft, partly plush toy Teddy bear with a pillow stuffed with wheat grain. The head and paws are plush (100% polyester). In the middle of a toy there is a space for a pillow with velcro fastener. This part is made of acrylic (60%) and polyester (40%). The pillow is made of cotton. The toy is about 45 cm long/high. On the label there is a CE mark and "Kaufland Warenhandel GmbH &amp; Co. KG D-74172 Neckarsulm". The toy is packed in a transparent plastic bag with a handle. The plush toy is intended to be thermophore. The pillow should be placed in microwave oven and after 1 minute heating can be used as a "filling" of a toy.</b>
Risk type	<b>Choking Microbiological</b>
Risk description	<b>This product poses a bacteriological risk because the grain is polluted with calandre. This product also poses a risk of choking because the seams of a pillow can bust and small parts (grain) can occur. This toy does not comply with the Toys Directive and the relevant European standard EN-71.</b>
Country of origin	<b>People's Republic of China</b>
