Product category	Laser pointers
Type	Consumer
Product	Laser pointers – key rings
Brand	“Lankunxilie Supermarket monopolization”
Type / number of model	Unknown
Product description	Laser pointers – key-rings with inscription “Lankunxilie Supermarket monopolization”, made in China, and sticker DANGER.
Risk type	Damage to sight
Risk description	The product poses a serious risk of damage to sight because : - the laser radiation measured at the output aperture of the laser pointer showed a maximum power of 1.40 mW. The measured P value is lower than the maximum admissible power for lasers of class IIIA, but exceeds the maximum admissible power for lasers of class II. Therefore, the laser pointer is a laser system of class IIIA; - the corpus of the laser pointer has a marking with warning and information sticker indicating the main technical characteristics and the class, which did not comply with the real class of the laser pointer; - no safety working instructions are printed on the package of the laser pointer and there is no warning that laser pointers should not be used by children. The instructions to the laser

pointer should be supplemented with a warning to avoid direct looking into the laser beam or its mirror reflection, unless wearing protective glasses, as well as to avoid directing the laser beam to bare eyes.

Product Rattle in the shape of a butterfly

Brand I'M TOY - International

Type / number of model Bar code: 068.501.96079

Product description Rattle in the shape of a butterfly with a multicoloured wooden body and fabric wings. There is a red cord coming out of the butterfly's head. The base is spherical. The label on the back of the packaging states that the fabric can be removed and washed.

Risk type Choking

Risk description The product poses a serious risk of choking because the butterfly's body completely fits into the small parts cylinder when the fabric wings are separated from the toy. Given its shape and size, this rattle presents a risk of choking if the baby using it puts it into his or her mouth. This product does not comply with Toys Directive and with the relevant European standard EN-71-1.
