Product	Passenger car Daihatsu Materia.
Brand	Daihatsu.
EC-type approval/model	Type M4, EG- type approval e13*2001/116*0198.
Product description	The vehicles were manufactured in the period 2006–2007 and have vehicle identification numbers in the following ranges:- JDAM401S001000053 to JDAM401S001001649, - JDAM402S001000067 to JDAM402S001005976,- JDAM412S001000055 to JDAM412S001000130.
Risk type	Injuries
Risk description	The product poses a serious risk of injuries because in the universal joint which connects the steering shaft and the gear box, there are tightening bolts that may not have been sufficiently tightened. In such a case, the connecting area concerned may loosen while steering operation is done in stationary state. If a vehicle is used continually in such a condition, abnormal noise may emanate, and in the worst case the connecting area may be possibly detached, leading to eventual loss of steering control.

Type Consumer

Product Soap in the shape of tarts and buns..

Brand Ancient wisdom.

Type / number of model Unknown.

Product description The soap tarts are divided into 14 portions which the retailer sells separately in transparent cellophane without any label or container. The following varieties exist: strawberry and coconut, orange and lemon, blueberry and apple hearts. Different varieties of individual soap buns are also sold: strawberry and coconut, chocolate and mint, orange and lemon, blueberry and apple hearts. The buns carry a label in a language other than Spanish.

Risk type Choking

Risk description The product poses a serious risk of choking because the soaps may be misleading, in that their form, colour and appearance may lead consumers, and children in particular, to take them for a foodstuff. It is easy to bite off a piece of soap, which may pose a risk of choking and gastrointestinal upsets.

Country of origin United Kingdom

Measures ordered by public
authorities

Other : Withdrawal from the market ordered by the authority.

Type Consumer

Product Passenger car.

Brand Renault.

EC-type approval/model Modus.

Product description Passenger car.

Risk type Injuries

Risk description The product poses a serious risk of injuries because the front headrests of a number of vehicles are improperly anchored, and in some cases may separate from the cartridge in the car seat frame. If the headrest detaches from the seat back when being handled or upon impact, the occupants of the vehicle may be injured.
