Product Cradle

Brand BEBE CONFORT

Type / number of model Cocon Evolution. REF. 28088600

Product description Product is a reclining cradle. The packaging is a cardboard box.

Risk type Choking
Injuries

Risk description The products poses a risk of: - choking because the piece of plastic connecting the covering to the structure of the cradle comes apart and generates a small part which could easily be swallowed by a child. - injuries because the angle between the backrest and the seat when the backrest is in its highest position is less than 90° which is less than required in the relevant European standard EN 12790.

Country of origin Italy

Product Wooden playpen

Brand CALYPSO

Type / number of model #132211

Product description A rectangular wooden playpen with plain dowel bars and a PVC-covered, padded MDF base board. The sides can be folded down and it has 2 legs and 2 lockable casters.

Risk type Injuries
Suffocation

Risk description The product poses a risk of injuries and suffocation because: - the 4 spring clips used to support the base are not protected against corrosion, - the slots in the corner posts are between 5mm & 12mm and more than 10mm deep. A gap between 5mm & 12mm exists between the lower side rails and the base rails on all 4 sides, - a gap between 25mm & 45mm exists between the corner posts and their adjacent dowels, - the folding mechanism requires 2 consecutive actions to release, the first fails to require 50N to release, - the minimum internal height from the top of the corner post (highest point on which a child can stand) to the top rail, is less than 600mm - when in the elevated position, one of the spring clips deform allowing the base to collapse. With the base in the lowest

position, 2 of the support brackets detach allowing the base to collapse when impacted at the centre end location, - it is not marked with the maximum weight of child to use the playpen.

Product	Plush toy – reindeer with a bell
Brand	PAUL
Type / number of model	EAN 4026272052109; ART. NO 5210
Product description	Toy reindeer, 30 cm in height, made of light-brown coloured plush. The toy wears a shawl to which a ringing bell is attached. With the toy there is a tag with a barcode and an inscription in Polish “Plush mascots DEEF”.
Risk type	Choking
Risk description	The product poses a risk of choking because the bell on the reindeer can be detached and fits completely into the small parts test cylinder. In addition, the marking of this toy as not intended for children under 36 month is inappropriate because this type of simple toy is treated as a toy for children under 3 years old. The product does not comply with the Toys Directive and with the relevant European standard EN 71.
