Notifying country	Poland
Product category	Toys
Type	Consumer
Product	Set of squeezable toy frogs
Brand	SHIFENG TOYS
Type / number of model	Code 127-58585
Product description	A set consisting of one big frog and three small frogs. The toys contain small parts which emit sounds when squeezed. Packaging: a plastic mesh closed with plastic clips with a cardboard label attached. On the label are the following inscriptions: CE mark, pictogram concerning age 0-3 restriction, "SHIFENG TOYS, Made in China" and "The toy is intended for children over 3 years. The toy contains small, easy to swallow elements", "Made in China."
Risk type	Choking Damage to hearing
Risk description	The product poses a risk of: - choking because small pieces (sound emitting elements) can easily be detached from the toy and fully fit into the small parts cylinder, - damage to hearing because the sound emission limit detected is 93 and 85.9 dB which exceeds the permitted limit value of 80dB. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Type	Consumer
Product	TV set
Brand	JVC
Type / number of model	AV-21L7SU, serial no: from 10260001 to 16217620.
Product description	21-inch colour TV set manufactured in 2007.
Risk type	Fire
Risk description	The product poses a risk of fire owing to a manufacturing error because the posistors (i.e. resistor with positive temperature coefficients) installed in the notified TV set can overheat and burn out, resulting in unpleasant odours, smoke and the possibility of melting of the TV set. There is also a slight possibility that the TV set will catch fire. The safety device to prevent over-heating is not sufficient to prevent the malfunctioning of the posistor.

Product	Toaster - "Rana"
Brand	PYLONES
Type / number of model	G2000103 Model: S 201,
Barcode	1200000205668
Product description	A toaster decorated with a frog's face on the sides. It is packed in a cardboard box. Markings: "TOASTER TART`IN PYLONES Paris Design: Crea Crea", a barcode, "Made in China", CE mark. A label is stuck to the bottom of the toaster indicating: "G2000103 TOASTER PYLONES. MODEL: S 201 AC 230 V 50 Hz 750 W". The packaging also contains a leaflet with safety instructions.
Risk type	Burns Electric shock
Risk description	The product poses a risk of electric shock and burns because the external insulation cover is not securely fastened in position. Furthermore, as the decoration is likely to attract children, it is probable that children will try to use it and could suffer burns and/or electric shock. The product does not comply with the Low Voltage Directive.
