Type: HJR-10AD EAN: 6 416485 182805

Product description

Black cable reel with rubber cable length of 20 m.

Risk type

Electric shock

Risk description

The product poses a risk of electric shock because : - during the bending test, when rotating the complete cable around a mandrel with diameter 40 mm at temperature of $-35(\pm 2)^{\circ}\text{C}$, it showed cracks both at the sheath and at the insulation, causing the wires of the conductors to become accessible, - during the impact test, 200 g mass from height 100 mm at $-25\pm 2^{\circ}\text{C}$ temperature, the samples showed cracks at the sheath. The product does not comply with the Low Voltage Directive and the relevant European standards EN 61242 and EN 60811.
