Product Children's coat

Brand PICKEN

Type / number of model BJ-8705H

Product description Wadded, hooded training suit for children with zip fastener. Colour: white and blue. The elastic drawstring is applied in the hood area. Size: 3

Risk type Injuries
Strangulation

Risk description The product poses a risk of: - strangulation due to the presence of elastic drawstrings in the hood area, - injuries to the eyes or the face when pulling the drawstring firmly and releasing it. The product does not comply with the relevant European standard EN 14682.

Country of origin Unknown

Measures ordered by public authorities Other : Withdrawal from the market and recall from consumers ordered by the authorities.

Product Make-up set for children

Brand CANDY

Type / number of model Bar code: 8019050033533

Product description This toy consists of two bracelets, 12 red plastic nails and a make-up set for children. The packaging is a plasticized cardboard blister pack with CE marking and the legend made in China. An adhesive label on the rear carries warnings and importer's information.

Risk type Chemical

Risk description The product poses a chemical risk because: - the mesophilic aerobic microorganism count is 29000 cfu/g, - the mould and yeast count exceeds 3000 cfu/g, - the materials are not visually clean, - the symbol for the time limit for use after opening is not given, - no list of ingredients is given. The product does not comply with the Cosmetic Directive 76/768/EEC.

Notifying country	Germany
Product category	Motor vehicles
Type	Consumer
Product	Roof luggage rack
Brand	Mercedes-Benz
EC-type approval/model	Model B6 656 08 10 for Mercedes-Benz Sprinter, series 906, with luggage compartment height of 1650mm (low roof/standard roof)
Product description	This concerns roof luggage racks from marketing years 2006 and 2007.
Risk type	Injuries
Risk description	The product poses a risk of injuries because when driving with an unloaded roof rack resonance vibrations can occur and the upper cross beam can break and fall off. Several complaints reported.
Country of origin	Germany
Measures taken by economic operators	Other : Voluntary corrective actions taken by the importer. Other

Product Motorcycles

Brand BMW

EC-type approval/model Models F800S, F800ST, R1200R, K1200S, K1200R Sport, K1200GT, types E8ST, R1ST, K12S, K12R

Product description Concerns vehicles built between 26 March 2007 and 20 April 2007.

Risk type Injuries

Risk description The product poses a risk of injuries because the steering dampers of the vehicles concerned have a nickel coating which is susceptible to peeling. The resulting chips can cause a partial or total blockage of the damper oil bores. This can make the steering stiff. Blocking can occur only as a result of large-scale loss of coating and at full lock (turning, manoeuvring). If the steering blocks during travel, falls and injuries can occur.

Country of origin Unknown

Measures taken by economic operators Other : Voluntary corrective actions taken by the importer.

Product Sunscreen milk

Brand Herb Line™

Type / number of model Batch code: 27/05/2007; B.NO.01; MAY 2007; EAN: 8901059122151

Product description Natural sunscreen – white flat plastic tube with a transparent screw-top. The content of the tube is a white viscous fluid-body milk, contents 120g. The product is sealed in a shrink film. On the packaging there is the sticker with the following information: “Product name; Made in India; the name and the address of the importer, EAN, date of manufacturing, ingredients, volume 120g, guide for use”.

Risk type Burns

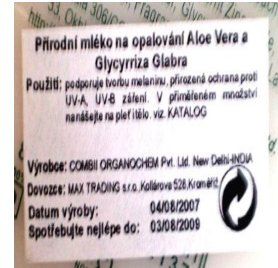

Risk description The product poses a risk of sunburn after sun exposure because it does not provide protection against solar radiation and therefore represents a health risk for the consumer. Consumers relying on the indicated protection factor would be exposing themselves to both an acute risk of sunburn and the long-term consequences of excessive exposure to sunlight, such as immunosuppression (especially in children), dry skin, keratosis and, in the worst case, skin cancer. The measured SPF (sun protection factor indicators) value of 3.6 does not

meet the SPF factor declared on the label (25). The product does not comply with the Cosmetic Directive 76/768/EEC and Commission recommendation 2006/647/EC.

Product Passenger cars - fuel hose

Brand SUZUKI

EC-type approval/model Passenger Car, model Swift Sport1.6L (RS416 LHD petrol, Recall Campaign HUGR)

Product description The recall concerns vehicles produced from the start of mass production to 17 March 2008, with VIN from TSMMA31S00136390 to TSMMA31S00562402.

Risk type Fire

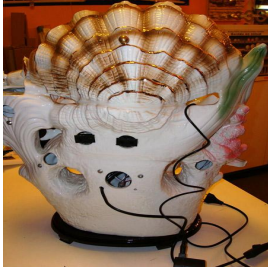

Risk description The products poses a risk of fire because the clearance between the fuel hose and the engine cover might not be adequate and therefore the fuel hose could touch the engine cover and consequently the outer layer of the fuel hose will be damaged. The cause of the failure is incorrect assembly and it may also lead to fuel leakage.

Country of origin Hungary

Measures taken by economic operators Other : Voluntary corrective action taken by the importer.

Alert number	<u>0811/08</u>
Notifying country	Greece
Product category	Motor vehicles
Type	Consumer
Product	Passenger cars - heater/climate control wiring
Brand	FIAT
EC-type approval/model	Grande Punto and Grande Punto Van (all types)
Product description	The recall concerns vehicles with chassis numbers from 114670 to 322635 and from 1143872 to 1300776, plus single chassis numbers 32678, 88713 and 98589.
Risk type	Fire
Risk description	The product poses a risk of fire because interference could occur between heater wiring and a bracket of the dashboard unit due to a missing retainer clip. This could cause wiring wear and the risk of a short circuit.
Country of origin	Italy
Measures taken by economic operators	Other : Voluntary corrective action taken by the importer. Other

Alert number 0810/08

Notifying country	Latvia
Product category	Electrical appliances and equipment

Notifying country	Poland
Product category	Lighters
Type	Consumer
Product	Lighters
Brand	Ronson
Type / number of model	Model Slyda, RXL 12090A, code affixed on the lighter: 5011435620485; code on the collective packaging: 5011435620492.
Product description	The lighter is made of semi-transparent plastic, coloured blue, violet, rose, green or yellow. It is a refillable lighter. On the outer side of the lighter there is a logo "RONSON" and a sticker with the following information in English: "WARNING KEEP AWAY FROM CHILDREN. Contains flammable gas under pressure. Use with care. Ignite lighter away from face and clothing. Never expose to heat above 50°C or to prolonged sunlight. Do not puncture, put in fire or inhale. Do not keep lit

continuously for more than 30 seconds. Be sure flame is completely out after use.” There is also a users' manual in English and an EAN code. The collective packaging carries the information: “country of origin: China”, name and address of importer, EAN code and warnings, as well as pictograms written in Polish. Moreover, there is information in English that in July 2001 the product was tested in accordance with the EN ISO 9994:1996 standard.

Risk type	Burns
Risk description	The product poses a risk of burns because of: - excessively high flame: over 100 mm, - no resistance to spitting and flaring, - during tests one of the lighters exploded and burning gas spilled out, and in another the mechanism was blocked - so in two cases the flame extinction was inappropriate. The product does not comply with requirements of essential safety standard EN ISO 9994.
Country of origin	People's Republic of China
