Product

Set of cosmetics for doll

Brand

WEIQIAN

Type / number of model

N° 2932, EAN 5901130686728

Product description

The set consists of four eye shadows and applicator, three hairpins made of coloured plastic and elastic bands with decoration of flowers and teddy bears attached. The packaging is made of cardboard coloured light blue and transparent plastic blister. On the cardboard part there are following: "Made in China", "CE mark", pictogram "not intended for children "0-3", ingredients. The packaging and markings on it suggests that there are different types of this toy consisting of similar products (e.g. lipstick or glitter). There is also a sticker with information and warnings in Polish, the name and address of importer and the bar code.

Risk type

Chemical

Risk description

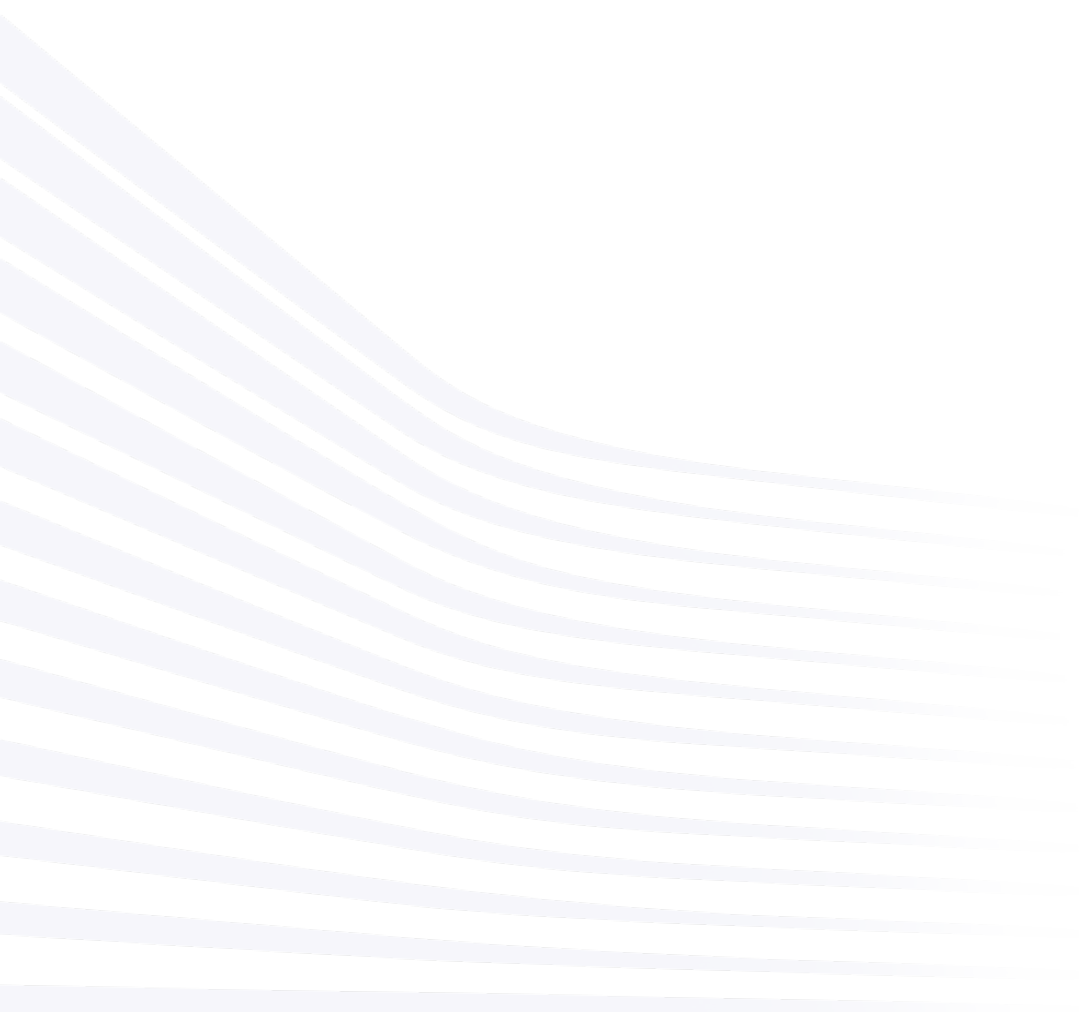

The product poses a chemical risk because in the green eye shadow the level of migration of chromium (Cr) is 287 mg/kg and the level of migration of lead (Pb) is 872.6 mg/kg. The product does not comply with the Toys Directive and with the relevant European standard EN 71.

Portable lamp

Brand

Brennenstuhl

Type / number of model

Terrazza art. N°1 17430 0

Product description

Portable lamp with three power sockets

Risk type

Electric shock

Risk description

The product poses a risk of electric shock because: - the connecting lead used is of the type H05VV-F 3G 1.5mm² instead of a H05RN-F connecting lead. The connecting lead used offers insufficient protection against the environmental effects which are to be expected; - the lamp has a connecting lead of 3.04 metres in length. A short lead of this kind is not sufficient for the lamp to be connected correctly and safely; - there is no IP number or symbol indicating the degree of protection on the product. Given that the product is intended, among other things, for outside use, it should bear a label indicating the degree of protection against ingress of moisture. The product does not comply with the relevant European standards EN 60238 and EN 60598.

Lighters

Brand

Ronson

Type / number of model

**Model Shark, RXL 12070P, code affixed on the lighter:
5011435623721; code on the collective packaging:
5011435623738**

Product description

The lighter is made of semi-transparent plastic, coloured blue, red, green or yellow. It is a disposable, adjustable lighter with postmixing burner. On the button of the ignition mechanism there is a logo "RONSON". On the lighter there is a sticker with warnings in Polish: "WARNING! Contains flammable gas under pressure. KEEP AWAY FROM CHILDREN. Use with care. Ignite lighter away from face and clothing. Never expose to heat above 50°C or to prolonged sunlight. Do not puncture, put in fire or inhale. Do not keep lit continuously for more than 30 seconds. Be sure flame is completely out after use." There

is also a users' manual in English and an EAN code. The collective packaging carries the information: "country of origin: Vietnam", name and address of importer, an EAN code and warnings, as well as pictograms written in Polish.

Risk type **Burns**

Risk description **The product poses a risk of burns because: - flame is excessively high: over 120 mm; - five of the lighters tested were not resistant to flaring and three out of them were not resistant to spitting; burning gas spilled out of those three; - in six lighters, flame extinction was impossible due to the blocked ignition mechanism; in two cases burning gas spilled over the lighters. The product does not comply with requirements of essential safety standard EN ISO 9994.**

Product category **Motor vehicles**

Type **Consumer**

Product **Golf cars - hip restraints**

Brand **E-Z-GO**

EC-type approval/model **RXV Golf Cars, models Fleet RXV, Freedom RXV and RXV Shuttle 2+2**

Product description **The recall involves electric and gasoline-powered Fleet RXV, Freedom RXV and RXV Shuttle 2+2 golf cars. The model names and the E-Z-GO logo are printed on the side and front panels of all three vehicles. Serial numbers ranging from 9300001 to 9300188 and 5000000 to 5021328 are printed on a plate attached to the steering column, and the front and rear frames. The affected vehicles were sold to dealers from January to June 2008.**

Risk type **Injuries**

Risk description **The products pose a risk of injuries because the hip restraints on the cars can detach at the base, posing the risk of falls and injuries. 20 incidents reported.**

Country of origin **United States**

Measures taken by economic operators **Other : Voluntary corrective action taken by the importer.

Type **Consumer**

Product **Passenger car - Volkswagen Tiguan**

Brand **Volkswagen**

EC-type approval/model **2.L TDI**

Product description **VW Tiguan Production period: 11 July 2007 to 10 February 2008 Chassis number: - WVG __ 5N _ 8 W 000002 - 026941;- WVV __ 5N _ 8 W 000014 - 000094.**

Risk type **Fire**

Risk description **The product poses a risk of fire because: - the earth cable has not always been correctly tightened on the connection of the electric heating element; - the contact resistance on the earth connection of the heating element for the additional air heater can get too high. This can lead to a high heat development in the connection area of this cable and to scorching damage and in the most unfavourable case to a vehicle fire.**
