Product Night light

Brand JUMBO

Type / number of model Model: DJ03M-2 Bar Code: 0249447000031

Product description The night light has a lamp in the form of a bear, and incorporates a plug with a switch. It has one bulb with a rated power of 7w, voltage 180-250v and a frequency of 50-60Hz. Packaging: the following inscriptions are on the package: "The cover uses non-flammable and non-toxic material which is safe and reliable. Lamp duration is 1200 hours. Warning- Please do not touch the metal jack when you use the product. Please do not open the plastic cover by yourself. Please do not throw and hit it. Keep away from children".

Risk type Burns
Electric shock

Risk description The product poses a risk of electric shock and burns because the cover is shaped and decorated in a way that could lead a child to treat it as a toy. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
