

Alert number 1135/08

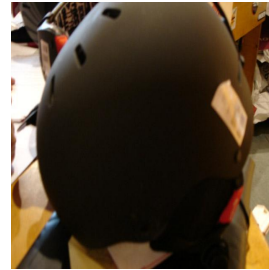

Notifying country	Latvia
Product category	Protective equipment
Type	Consumer
Product	Ski helmet- wintersport helmet
Brand	Scott
Type / number of model	LOWRIDER, article: 207399, size L (58-59),
Barcode	0948867000101.
Product description	The helmet is white with the name "SCOTT" marked on the back. On the inside of the helmet there are symbols, warnings and the following information: "Made in Czech Rep., CE mark, standard EN 1077/96"/ The packaging is a black box marked "SCOTT wintersport helmet protection technology".
Risk type	Injuries
Risk description	The product poses a risk of injuries because due to its insufficient shock absorbing capacity, in case of shock the peak acceleration exceeds 250g which may cause concussion. The product does not comply with the Personal Protective Equipment Directive 89/686/EEC and with the relevant European standard EN 1077.
Country of origin	Czechia

Measures taken by
economic operators

Other : Voluntary withdrawal from the market and destruction
by the retailer.

Product category Electrical appliances and equipment

Type Consumer

Product Switching mode power supply - ATX switching power supply

Brand Mercury

Type / number of model Model: MKP- 4400, EAN codes: 027050045325/ KE 11071396, 027050045383/ KE 11071396

Product description Power supply for computers, sold without packaging, user's manual or installation instructions. Sticker on the side of the product is marked: "Mercury", CE, technical parameters, etc.

Risk type Electric shock

Risk description The products pose a risk of electric shock because : - the construction of the converter does not comply with the requirements on distance between primary and secondary windings for reinforced insulation, - the condensers in the primary circuits do not comply , - possible risk of injury by electric power caused by accumulated condenser charge after disconnection of device from the mains, - the length of conductors enables by-passing of double insulation in case of connector release and a possibility of presence of mains voltage on the exit connectors, - it is not possible to set up the output parameters, - the requirements on reinforced insulation between the output connector and mains plug for double insulation are not met. The product does not comply

with the Low Voltage Directive and the relevant European standards EN 55022 and EN 55024

Country of origin People's Republic of China

Measures taken by economic operators Other : Voluntary withdrawal from the market and recall from consumers by the distributor.

Product Candles

Brand 1. Cakes: Hoff Interieur - Wohnen und Schenken 2. Pots: "Chocolate & Cacao Fragrant Candle" Description : 1. Candles which resemble cakes and biscuits. 2. Metal pots resembling a mousse with candy

Risk type Choking

Risk description The product poses a risk of choking because, although it is not a food, the form and appearance are such that it is likely that consumers, especially children, will confuse it with a foodstuff and consequently either place the product in their mouth, suck or ingest it, which could cause choking. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Country of origin Germany
