

Alert number 1180/08

Notifying country Slovakia

Product category Childcare articles and children's equipment

Type Consumer

Product Children's high chair - "Helen"

Brand MEGGY

Type / number of model EAN code: 5906598350082

Product description The frame of the chair is made from metallic tubes with plastic corners to ensure stability. The seat and backrest are made of green plastic material, striped polyurethane foam and PVC. It has a textile seatbelt. The plastic tray is detachable and adjustable. The product is packed in a white cardboard box.

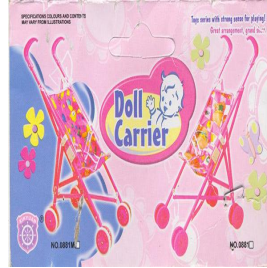

Risk type Injuries

Risk description The product poses a risk of injuries because it tips over during the rearward stability test. The product does not comply with the European standard EN 14988.

Country of origin Unknown

Measures ordered by public authorities Other : Sales ban and withdrawal from the market and recall from consumers ordered by the authorities.

Product Pushchair for dolls - Doll Carrier

Brand Xin Youan

Type / number of model No. 0881, #H7651/0881M, 24170, EAN code: 5908310575087

Product description The product is a folding pushchair for dolls, with a metallic frame and plastic accessories. The seat part is made of textile material. The product is packed in a transparent plastic bag closed with a cardboard tag.

Risk type Injuries

Risk description The product poses a risk of injuries because: - some open edges of the metallic construction are not protected by plastic caps and contain burrs caused by flatheads, - the diameter of the metallic tubes enables entrapment of children's fingers, - the pushchair does not meet the requirements for blocking devices. The consumer may think that the pushchair is fully unfolded. After loading the pushchair it immediately tilts. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Country of origin People's Republic of China

Measures ordered by public authorities

Other : Sales ban and withdrawal from the market and recall from consumers ordered by the authorities to second distributor.

Other

Measures taken by economic operators

Alert number	<u>1147/08</u>
Notifying country	Germany
Product category	Motor vehicles
Type	Consumer
Product	Passenger cars - Mini Coupe John Cooper Works and Mini Clubman John Cooper Works
Brand	BMW
EC-type approval/model	Mini-N, EC type approval e1*2001/116*0343*10
Product description	Vehicles manufactured between 07.05.2008 and 01.08.2008 are affected.
Risk type	Injuries
Risk description	The product poses a risk of injuries because in certain cars 16 inch brake discs have been fitted instead of 17 inch ones. Thus, in case of intensive brake usage, vapour bubbles in the brake fluid may appear, reducing the braking effect and causing the risk of an accident.
Country of origin	Germany
Measures taken by economic operators	Other : Voluntary corrective action taken by the manufacturer. Other

Product Passenger car - Mercedes-Benz Sprinter

Brand Mercedes-Benz

EC-type approval/model type 906

Product description Vehicles manufactured between 24 October 2008 and 29 October 2008 with VINs ranging from: WD*906*3**S241267 to S245275.

Risk type Injuries

Risk description The product poses a risk of injuries because the installation of rear leaf springs with a limited life expectancy may lead to sudden premature breakage of suspension leaves. In critical situations, the vehicle may no longer be safely controlled which could lead to an accident.

Country of origin Germany

Measures taken by economic operators Other : Voluntary corrective action taken by the manufacturer.
