Product category	Childcare articles and children's equipment
Type	Consumer
Product	Set of sun blinds
Brand	AUTO COMFORT
Type / number of model	Reference: "Alien", zèbre/zebra, etc.,
Barcode	26077383. Distributed in ALDI stores.
Product description	Product sold in a cardboard box marked "AUTO COMFORT. Set of sun blinds "Alien", "Zèbre". Material: polyester. Dimensions: rear sun blind: 100x40 cm, lateral sun blinds 45x40 cm, colour: black/printed.
Risk type	Suffocation
Risk description	The product poses a risk of suffocation due to easy removal of the suction cups on the sun blinds and, since the lateral sun blinds are designed for installation in the vicinity of young children, the suction cups could be pulled off by a child and placed in the mouth. The suction cups on all 3 models can be detached at forces between 8 N and 72 N (instead of the required resistance of 90 N) and they fit entirely into the small parts cylinder.

Product	Soap "Brochette de savons"
Brand	DE LAURIER
Type / number of model	EAN 5 425013 551106.
Product description	Five pink and white soaps on a skewer with a label marked in French: "An assortment of small coloured soaps to give your life more flavour; glycerine soap enriched with essential oils - non-edible."
Risk type	Choking
Risk description	The product poses a risk of choking as due to its characteristic form, appearance, colour and size, the product may be mistaken for a foodstuff. This may lead children to put it in their mouths and swallow it, which could entail the risk of asphyxia or obstruction of the digestive tract. The cube-shaped soaps fit entirely into the small parts cylinder. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product	"Nougat" soap
Brand	DE LAURIER
Type / number of model	Unknown
Product description	Rectangular yellow and pale yellow soaps wrapped in transparent cellophane, tied at each end with a yellow ribbon and labelled as follows: "Soap (in four languages), Nougat", list of ingredients, "Not edible".
Risk type	Choking
Risk description	The product poses a risk of choking because, given its appearance, colour, size, name and packaging, it could be confused with a foodstuff, especially by children. This may lead children to put it in their mouths and small parts can be generated if bitten, which could entail the risk of asphyxia or obstruction of the digestive tract. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than what they are, endanger the health or safety of consumers.

Notifying country Sweden

Product category Protective equipment

Type Consumer

Product Portable fire extinguisher

Brand Unknown

Type / number of model Model MFQ3 52542,

Barcode 5706245230015

Product description Portable fire extinguisher in the shape of a truncheon. It is red with a black rubber handle, markings and pictograms. The markings translate into English as: "Ideal for fire class A, B and C. Especially for electric fires. Can be used for defence."

Risk type Fire

Risk description The product poses a risk of fire because the classification marking 0,6B does not meet the requirements for hand-held extinguishers defined in the standard SS-EN 3 - the lowest marking defined in the standard is 21B. The markings on the fire extinguisher claim that it is suitable for putting out all kind of fires, even electric fires, thus the consumer may be misled by the performance of the product. The fire extinguisher does not comply with the relevant European standard EN 3-7.

Product	Baby's rattle
Brand	TOYS
Type / number of model	NO: 015
Product description	Plastic baby's rattle in the form of a teddy bear wearing a cap. The bear wobbles and has a mechanism inside which produces a jingling sound when it moves. Packed in a transparent bag, closed with a coloured label marked "Toys, No: 015". Warning on sticker – not suitable for children under 3 years. It contains small parts.
Risk type	Choking Injuries
Risk description	The product poses a risk of choking and injuries because the body of the toy can be broken and the cap and other small parts can be detached. Sharp edges and points are exposed in some parts. In addition, the metal mechanism enabling the jingling noise could become accessible, revealing unprotected wires tips. The product does not comply with the Toys Directive and the relevant European standard EN 71.
Country of origin	People's Republic of China

Measures ordered by public

Product	Gelatine hearts - "Jel window sticky"
Brand	FOTOALBUM (on the sticker)
Type / number of model	EAN: 8511690050111 (on the sticker).
Product description	9 large and 4 small hearts made from plastic material resembling gelatine, packed in a transparent plastic bag with a sticker marked with "FOTOALBUM", country of origin China, CE mark and EAN code.
Risk type	Choking
Risk description	The product poses a risk of choking because although the product is not a food, its form and appearance are such that it is likely that consumers, especially children, will confuse it with a foodstuff and place it in their mouth, suck or ingest it, which could be dangerous. The smaller hearts fit entirely into the small parts cylinder and pose a risk of choking for children. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than what they are, endanger the health or safety of consumers.
