Product Toy helicopter - Police Zoom Copter

Brand Unknown

Type / number of model Unknown

Product description Toy pull-string helicopter

Risk type Cuts  
Injuries

Risk description The product poses a risk of cuts and injuries caused by sharp edges because: -the helicopter operates by a spring mechanism, which enables it to fly. There is no protection around the rotating surfaces. Owing to the design and the way the toy operates, the rotor blade edges constitute an injury risk, - in launching the helicopter there is a danger of the rotating blades hitting the child in the face. Also, if the helicopter hits the ceiling, a rotor blade can fall off, constituting a further injury risk. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Barcode 7523541005295

**Product description** The toys are: 3 dinosaurs (A-C), 3 sharks (D-F), 3 dolphins (G-I), 3 frogs (J-L), 3 eggs (M-O), and 2 sea creatures (P,Q): (A) triceratops-orange with brown spots, (B) two-legged dinosaur, yellow in colour with brown and white strips, (C) armoured dinosaur - green in colour with camouflage on back, (D) great white shark - blue and white with yellow mouth, (E) shark - yellow and white with black eyes, (F) basking shark - grey and white with white strips and spots, (G) dolphin - blue and pink in colour, (H) dolphin - yellow and pink in colour, (I) dolphin - grey and pink in colour, (J) frog - green and yellow in colour with orange spots and strips, (K) frog - orange and yellow with green spots and purple legs with black specs, (L) frog - red and yellow with large webbed feet with black outline, (M) penguin - grey with yellow beak and a black head, (N) alligator - green in colour with red eyes, (O) snake - purple and yellow with an orange head and a red tongue, (P) whale - black in colour with red spots, and (Q) lobster- red in colour with green strips on the tail. Each toy is packed in a transparent plastic bag. On the cardboard label situated inside the packaging there are markings and information: "CE mark", the name of a toy, barcode and type. Model numbers, pictogram concerning the age "0-3" restriction and written information". Other warnings are in English only: "not intended for children under 3 years due to small parts", "do not swallow." "Dimensions of a toy may extend up to 600%". The user's manual is in English only.

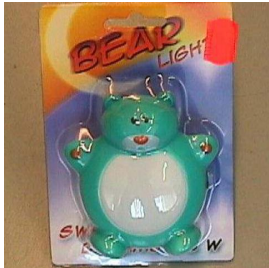

**Risk type** Choking

**Risk description** The products pose a risk of choking because after 72 hours in water the toys expand in different dimensions of 250% - 270%. The small parts (arms, legs, tails & fins), which may detach from the toy, as well as the rest of the animal entirely fit into the small parts cylinder and may expand more than 50% in three directions. The products do not comply with the Toys Directive and the relevant European standard EN 71.

**Country of origin** People's Republic of China

**Measures taken by economic operators** Other : Voluntary withdrawal from the market by the importer.
