

Alert number 1382/08

Notifying country	Greece
Product category	Stationery
Type	Consumer
Product	Eraser - School's Set Fancy
Brand	JUMBO BOOKIE
Type / number of model	Erasers sold in the following sets: 1. code ND3375-1,
Barcode	0 257901 000039, 2. code ND3375-1S, barcode: 0 257750 000037.
Product description	<p>Erasers sold in stationery sets. Each one consists of two pencils, a ruler, a sharpener, a notebook and an eraser in the shape of an ice-cream stick (approximate dimensions: 6cm x 3.5cm x 0.8cm). All the items (except the eraser) are multicoloured and decorated with pictures of dolls or other figures of girls. The sets are packed in plastic (PVC) handbags (approximate dimensions: 20cm x 13cm x 1.5cm). The handbags bear a label with the address of the importer in Greece, Cyprus and Bulgaria and the warning: "ATTENTION! Not suitable for children under 3 years. It contains small parts that can be swallowed" (written in Greek and Bulgarian). None of the sets' items can be bought separately.</p>
Risk type	Choking
Risk description	The product poses a risk of choking as, due to the

characteristic form, appearance, colour and size, the sets' eraser may be mistaken for a foodstuff (ice-cream stick). This may lead children to put it in their mouths, bite it into pieces and swallow it, which could entail the risk of asphyxia or obstruction of the digestive tract.

Product category Lighting chains

Type Consumer

Product Lighting chain with LEDs and flashing unit

Brand Multi function

Type / number of model 100 LED Light, HY-803A, bar code: 2008989612014

Product description The lighting chain includes 100 series-parallel connected LEDs. The flashing unit controls 4 parallel circuits for operating the non-replaceable light sources. Main parts of the lighting chain: mains plug "2.5A 250V CE Y"; flashing unit HY-803A CE, ETS Germany, EMC tested, INPUT: 24-240VAC 50/60Hz, Made in CHINA, and unmarked mains supply cord. Technical parameters: on packaging: 55W 60 Hz; on control unit: 24-240 VAC 50/60Hz.

Risk type Electric shock

Risk description The product poses a risk of electric shock because: - the basic insulated live parts are accessible, - the cross-section area of the cord is less than required, - the dimensions of the plug do not comply with requirements, - there is no effective protection against pulling and twisting of the mains cord. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Product Stroboscope - STRONG DINT LIGHT

Brand YIN HE LIGHT

Type / number of model Unknown

Product description The cover of the product is made up of 2 black painted metal plates. The flash-tube is placed on the front plate, while a chromium-plated floodlight can be found behind it. Main components of the product: mains plug (2,5 A 250 V CE jelölés); mains supply cord without marking; condensor (SHX NO. 382193 6µF 25D 200W VAC NICHICON és SH CAP M 200 VAC 6µF F20AMLN605U2 MARCON 7S05U).

Risk type Electric shock

Risk description The product poses a risk of electric shock because: - the basic insulated parts and the unearthed accessible metal parts can come into contact with each other, - the bushings at the cable inlets are not properly designed, - the mains cord is not protected against a twisting and pulling force, thus the cord can be damaged, - the dimensions of the plug are non-compliant. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Product category	Clothing, textiles and fashion items
Type	Consumer
Product	Casual shoes for children
Brand	Weide
Type / number of model	4623-111
Barcode	69300868008200693
Product description	The shoes are made of black man-made leather upper, leather and man-made leather lining and plastic sole with gluing technology. The top part is decorated with pearls and flitters imitating a butterfly.
Risk type	Health risk / other
Risk description	The product poses a health risk because the design of the toe area of the shoes is not appropriate: the toe is too narrow; the sole is too rigid and hard. Therefore, during normal use the footwear may cause health problems to the user and harm the healthy development of the feet. The product does not comply with the national standard.

Product Toy mobile phone

Brand Color baby

Type / number of model REF. 22133 Bar code: 8412842221338

Product description Blue toy mobile telephone with five purple keys. It includes a transparent plastic case with a pink flower. The packaging is a blister pack.

Risk type Chemical
Damage to hearing

Risk description The product poses: - a risk of damage to hearing because the sound produced by the toy exceeds the 80 dB permitted for toys to be held close to the ear, - a chemical risk because of the transparent material of the plastic case and because the pink flower on the case contains di (2-ethylhexyl) phthalate (DEHP), which is banned in toys and childcare articles. The product does not comply with the Chemical Restrictions Directive 76/769/EEC, the Toys Directive and the relevant European standard EN 71.

Product	Folding stool for outdoor use
Brand	Gandia blasco
Type / number of model	Model: PICNIC 35x35x40
Product description	Folding stool for outdoor use, with aluminium structure and legs and a polyethylene seat.
Risk type	Cuts Injuries
Risk description	The product poses a risk of injuries and cuts because: - sharp points and edges were noted on the corners of the aluminium structure and on the lower part of the seat, - sharp edges were found in the area where the transverse tube is inserted into the folding area, - the product has a safety catch under the seat. If this catch is not engaged correctly, or should it move while the item is in use, there is a high probability that the stool would collapse if a user tried to move it with both hands. In addition, there are no instructions for the use of the safety catch or any indication on the model that it exists. The product does not comply with the relevant European standard EN 581, EN 14183 and EN 1022. One incident reported.
