

Alert number 0006/09

Notifying country	Greece
Product category	Clothing, textiles and fashion items
Type	Consumer
Product	Children's top
Brand	CHAMPION
Type / number of model	Code: 301878
Product description	Sweatshirt available in red, blue and light blue, with two side pockets and a hood containing cords ended with plastic toggles. On the front of the product there is a printed inscription: "ATHLETIC Champion 19 NY 19". Sizes: 5 to 14 years old.
Risk type	Suffocation
Risk description	The product poses a risk of suffocation due to the presence of cords in the neck area with length between 19 cm (ages 5-6 years old) and 24 cm (ages 13-14 years old). The product does not comply with the relevant European standard EN 14682: - garments intended for young children aged from birth to age 7 years shall not be designed, manufactured or supplied with drawstrings, functional cords or decorative cords in the hood or neck area, - garments for children aged from 7 years up to age 14 years functional cords and adjusting tabs shall be not more than 75 mm length.

Product Soothers - "Griptight" Safety Soothers 4 pack - Silicone

Brand Griptight

Type / number of model Product code: 66450,

Barcode 5026827664503

Product description Pack of four baby soothers with clear silicone teats. All soothers have a white ring and cover and either a pink, light blue or dark blue shield. Packaging consists of a blue and yellow trimmed plastic bag with a large, transparent section on the front bearing the "Griptight" brand name in blue letters. All four soothers contained in the packaging are visible through the transparent section on the front of the bag. Packaging bears the name and address of the importer, as well as warnings and instructions for use.

Risk type Suffocation

Risk description The product poses a risk of suffocation because in some cases the silicone teat can become detached from the product with a force of less than 90 N. The product does not comply with the relevant European standard EN 1400.

Country of origin People's Republic of China

Measures taken by economic operators Other : Voluntary recall from consumers by the importer.

Product category	Hobby/sports equipment
Type	Consumer
Product	Jacket for fencing - Beijing FIE 800N Jacket & Beijing FIE 800N Breeches
Brand	Wuxi
Type / number of model	Unknown
Product description	Jacket and breeches for fencing to level 2 (800N).
Risk type	Injuries
Risk description	The product poses a risk of injuries because, despite claims, the garments do not meet the requirements for Level 2 penetration resistance (a mean value above 800 N). A level of protection below the minimum 800 N required will expose users to the risk of injury. The product does not comply with the Personal Protective Equipment Directive and the relevant European standard EN 13567.
Country of origin	People's Republic of China
Measures taken by economic operators	Other : Sales ban ordered by the authorities., Voluntary recall from consumers by the importer. Other

Product Oil lamps - Classic Kerosene Lamp

Brand Unknown

Type / number of model 1. KL-4 COLORS (blue), 2. L-888 HG (red).

Product description Both lamps are made of glass with a glass container and a wick holder made of metal. The wick has a metal cover.

Risk type Chemical

Risk description The products pose a chemical risk because: - in the oil lamp KL-4 COLORS the wick guard does not prevent access to the wick by small children; - in the lamp L-888 HG the following irregularities were detected: - the wick cover comes loose while being lifted or rotated at 180°, so part of the lamp may be broken or fractured, - the wick guard does not prevent access to the wick by small children as it can be easily opened in one movement, - the lamp is not leak-proof. This could lead small children to drink out of unsecured oil lamps. The product does not comply with the relevant European standard EN 14059.

Type	Consumer
Product	Attachment system for radiator - Rettig
Brand	Radson (BE), Funimetal (FR) and Purmo (DE, FI, IE, UK, RO, LT, PL)
Type / number of model	Vertical 10, 20, 21, 22; Kos V 21 en 22; Faro V 21 en 22. Attachment system: U2V1 or U2V2
Product description	Vertical radiators, all equipped with the same attachment system.
Risk type	Injuries
Risk description	The product poses a risk of injuries because if the upper clamp of the attachment system is not fully engaged (pressed into place) and there is a gap, the radiator could come loose at the top, tip forward and fall off the wall. The upper clamp may break in the event of disassembly and/or reassembly. A malfunction of the upper clamp can cause the radiator to fall off. For types Vertical 10, 20, 21 and 22, Kos V 21 and 22 and Faro V 21 and 22 radiators equipped with the U2V2 attachment system: the lower clamps of the attachment system may bend slightly or begin to distort when installed (e.g. if the full weight of the radiator is allowed to rest on one clamp, or through rough handling in general) or if placed under excessive load, causing the radiator to come loose at

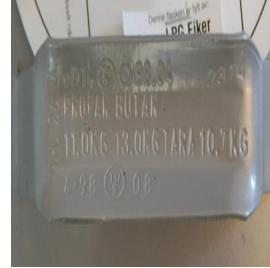

the top. One possible consequence is that the radiator is no longer held in place by the support mechanism and may fall off the wall. Several incidents reported.

Product category	Hobby/sports equipment
Type	Consumer
Product	City bicycle
Brand	C-Trading
Type / number of model	NEW 20"
Product description	City bicycle for ladies with 20" wheels and 1 speed, back pedal brake on the rear wheel, equipped with a basket at the front, back carrier and lighting with dynamo. The bicycle is foldable. Marking on the frame - New 20, Made in Europe.
Risk type	Injuries
Risk description	The product poses a risk of injuries because: - the design of the brake lever does not ensure a safe grip and the bicycle therefore fails to stop safely, - cracking of the stem can occur and the stem can become entirely detached resulting in loss of control over the bicycle, - the bicycle is capable of being leaned over at an angle of 23° instead of the required 25°, which may cause the rider to fall from the bicycle, - the spindle can fracture. The product does not comply with the relevant European standard EN 14764.

Alert number	<u>0007/09</u>
Notifying country	Greece
Product category	Motor vehicles
Type	Consumer
Product	Passenger car - Side airbag module wiring
Brand	HYUNDAI
EC-type approval/model	Model Elantra
Product description	The recall concerns 2000 to 2002 model year vehicles, produced from 12 March 2000 to 18 December 2001, with VIN list from KMHD(*)41BP1U033251 to KMHD(*)41BP2U336251 [where (*)= M or N].
Risk type	Injuries
Risk description	The product poses a risk of injuries because on the affected vehicles the Side Air Bag (SAB) module wiring may move freely, which could turn on the airbag light and set a diagnostic code. In such a case, the SAB would not expand in the case of a road accident, thus reducing the protection of the driver and the co-passenger.
