Children's jacket

Brand

mini raxeovsky

Barcode

5 206078 294302 (barcode), 82RJZ990 (code)

Product description

Girl's jacket in silver with a collar containing cords and sequins, a zip, a belt and two drawstrings ended with metal toggles at the waist. On the front of the product, there is an embroidered pattern depicting the English letter "R". On the inside, there is a sewn, textile label, which has the following marking in English: "mini raxeovsky, passion for life" and the size of the jacket: "4y" (4 years old). There are two cardboard labels attached to the jacket. The first label contains the following information: size, model code, barcode, composition and price, along with the internet address of the manufacturer. The second label contains the name of the store. Composition: 100% nylon.

Risk type

**Injuries
Strangulation**

Risk description

The product poses a risk of: - strangulation due to the presence of cords in the hood area. The product does not comply with the relevant European standard EN 14682, according to which garments intended for young children aged from birth to age 7 years shall not be designed, manufactured or supplied with drawstrings, functional cords or decorative cords in the hood or neck area, - injuries due to the presence of drawstrings at the bottom of the jacket. The product does not comply with the

relevant European standard EN 14682 according to which drawstrings, decorative cords or functional cords including any toggle on the lower edges of garments, where the lower edge is situated below the crotch, shall not hang below the lower edge of the garment.

Risk type **Chemical**

Risk description **The products pose a chemical risk because of banned azocolourants. The green scarf's darkest shade releases 880 mg/kg of benzidine and 41 mg/kg of 4-aminobiphenyl, both of which exceed the limit of 30 mg/kg. The blue and green scarf's blue colour releases 86 mg/kg of benzidine and 150 mg/kg of 3,3'-dimethoxybenzidine, both of which exceed the limit of 30 mg/kg. The products do not comply with the Chemical Restrictions Directive 76/769/EEC.**

Product **Lighting chain - 96 serie de uva mediana**

Brand **Xing Yao**

Type / number of model **Ref: XY8010**

Product description **Christmas lights in the form of bunches of grapes, packed in a cardboard box on which is written: "96 L Medium grape series". There is an instruction manual in Spanish and the product bears the CE mark.**

Risk type **Choking**

Risk description **The product poses a risk of choking because the grape lights have the size of normal grapes and can be easily pulled off. Consumers may mistake the product for food and put it in their mouths, with the subsequent risk of choking. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.**

Product description **1. Gelatine-like decorative stickers in the form of red hearts, packed in a transparent polyethylene film containing 2 small, 2 medium and 2 big hearts. 2a. Gelatine-like decorative stickers in the form of fish and starfish, packed in a transparent polyethylene film containing 2 blue fishes, 2 orange fishes and 3 yellow starfishes. 2b. Gelatine-like decorative stickers in the form of fish and starfish packed in a transparent polyethylene film containing 2 turquoise fishes, 2 blue fishes, 2 yellow fishes, 2 yellow starfishes and 1 green starfish. 3. Gelatine-like decorative stickers in the form of a red heart and double red heart, packed in a transparent polyethylene film containing 3 small red hearts, and 5 big double hearts.**

Risk type **Choking**

Risk description **The products pose a risk of choking because although not foodstuffs, their shape, colour, appearance and size is such that it is likely that consumers, especially children, will confuse them with foodstuffs and in consequence, place them in their mouth or suck or ingest them, which might be dangerous and cause choking. The small hearts fit into the**

small parts cylinder and, in combination with the fact that they are very sticky, pose a serious risk of choking. In addition, the larger shapes can be easily torn and create small parts that also fit into the small parts cylinder. The products do not comply with the Directive 87/357/EEC on products which, appearing to be other than what they are, endanger the health or safety of consumers.
