Product Pull-along toy - Eight unguis fish

Brand Senior toys

Type / number of model 2010

Barcode 5900851234621

Product description The toy is a spider with a cord, which moves on eight wheels. The cord is ended with a small ring handle. While the toy is moving all the legs wobble and rotate which causes a noise to be emitted from the rattles situated in the endings of the legs, beneath a transparent plastic cup. With the toy, there is a tag with a CE mark and the following markings: name and address of the importer", "Made in China", EAN number. There is also a warning about the risk of swallowing small parts and about the necessity of storing the packaging, due to useful information, but not within reach of children, the packaging is not a toy.

Risk type Choking
Suffocation

Risk description The product poses a risk of : - choking, because the ring handle, which fits into the small parts cylinder may be easily detached; - suffocation due to the inappropriate length of the

cord which is 375 mm, while according to the standard it should be 220 mm. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Product	Soother - "Keep-it-Kleen pacifier"
Brand	RaZbaby
Type / number of model	EAN code: 857371000098, Batch: 0703
Product description	A soother for babies and young children with a butterfly, open effect, coloured plastic cover that closes around a silicone teat when dropped in order to keep it clean. Printed, decorated knob and a clear, non-flexible, plastic shield which has two ventilation holes. The packaging is marked: "The only pacifier that closes instantly when it drops!" and contains a warning; "Do not tie the pacifier around baby's neck as it presents a strangulation danger". On the back of the package there is information in Swedish, Norwegian and Danish.
Risk type	Choking
Risk description	This product poses a risk of choking because the soother can split into five pieces. Each piece is a small part which poses a choking hazard to babies or young children. The product does not comply with the relevant European standard EN 1400. Two incidents reported.
Country of origin	People's Republic of China

Product Aerodrome playset

Brand HLD

Type / number of model Model: 9891, Bar code: 8888200839444.

Product description This is a self-assembly kit containing planes, trucks and various structures typical of an aerodrome. Packaging: A cardboard box with an image of two children playing, the words "Aerodrome Playset" and other texts in English.

Risk type Injuries

Risk description The product poses a risk of injuries because : - it has tubes and rigid components in the form of projections which constitute a puncture hazard to children, - when applying a tensile force of 60 N to the wheels of the planes and vehicles for 110 seconds, the wheels can easily become detached leaving the axis exposed, which can be hazardous to children. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Country of origin People's Republic of China
