| Product                              | Swing set for domestic use  |
| Brand                                | Park  |
| Type / number of model               | Ean code: 5706686021258, Product No: SM-01 and SM-02.   |
| Product description                  | Wooden swing set with cross-beam construction for outdoor domestic use (swings not included). SM-01 : Single swing with a slide.SM-02 : Double swing.   |
| Risk type                            | Injuries  |
| Risk description                     | The product poses a risk of injuries because the cross-beam construction is unstable especially sideways, which can cause the screws to batter the wood in the beams. This would affect the stability of the construction and if the swing set is not properly anchored to the ground in concrete, it could overturn causing serious injuries both to children using the swing and bystanders. The products do not comply with relevant European standard EN 71. One accident reported. |
| Country of origin                    | Latvia  |

Product category Electrical appliances and equipment

Type Consumer

Product Travel adaptor

Brand ZeXt/PMS

Type / number of model 502038/9168, AD 75, EAN 5903874870203

Product description Travel adaptor for 230V/50Hz wall socket.

Risk type Electric shock

Risk description The product poses a risk of electric shock because there is no earthing continuity, i.e. earthing is not guaranteed when you are using the travel adaptor with electrical equipment requiring earthing. E.g. an appliance with only basic insulation having a plug for class 0 equipment fits in the earthed socket-outlet of the adaptor, when it should not be possible to engage a class 0 plug into an earthed socket-outlet. In the event of failure of the basic insulation, it is possible to access live parts.

Product category Toys

Type Consumer

Product Rattle

Brand Bao Bei Zhiyue

Type / number of model bar code 4444019033004

Product description The product is a rattle with rotating wheels. Because of its character, the product is intended for children up to 36 months old, yet according to the marking it is not intended for children under 36 months. Packaging is a plastic bag.

Risk type Injuries

Risk description The product poses a risk of injuries because there is a possibility that children's fingers could be entrapped between the wheels and peaks, or the tongue could be injured if the toy is put in the child's mouth. The product does not comply with the Toys Directive and the relevant European standard EN 71.

| Type   | Consumer   |
| Product  | Passenger car - Seat belt ELR (Emergency Locking Retractor)  |
| Brand  | HONDA  |
| EC-type approval/model                           | Passenger car, model Jazz (model codes: GG2 and GG3)   |
| Product description                              | The recall concerns certain 2009 model year vehicles, manufactured between 22 August 2008 and 19 February 2009, within the following VIN range: - (1.2 Litre model) from LUCGG2xxx93200013 to LUCGG2xxx93210386 - (1.4 Litre model) from LUCGG3xxx93200018 to LUCGG3xxx93208814  |
| Risk type  | Injuries   |
| Risk description                                 | The product poses a risk of injuries because the locating bolt was not fitted initially and was then missed as the installed seat belt obscured the locating bolt hole from the operator's view. If the locating bolt is missing, the seatbelt's Emergency Locking Retractor (ELR) can move during usage potentially loosening the ELR mounting bolt. If this should happen, the ELR can move outside its intended angle limit preventing correct operation of the locking function. If the seat belt retractor bolt is missing, correct operation of the seat belt locking mechanism cannot be guaranteed. This may reduce protection in case of an impact, thus increasing the risk of injury. |

Product Baby's jacket

Brand JUMBO

Type / number of model Item No: 70408, bar code: 0 263127 000036

Product description Baby's jacket in pink with two pockets, a zip and a hood containing a fabric drawstring. On the inside, there is a sewn, textile label, which has the following inscription in English: "JUMBO, 12 MONTHS" and information concerning the product (the composition and the country of origin of the product). Additionally, there is a cardboard label attached to the garment, which contains the inscription: "Jumbo, 12 months", information such as the address of the importer and the country of origin, and composition (80% cotton, 20% polyamide). Sizes available: 12, 18 and 24 months, 04 and 06 years.

Risk type Strangulation

Risk description The product poses a risk of strangulation due to the presence of fabric drawstrings in the neck area. The product does not comply with the relevant European standard EN 14682, according to which garments intended for young children aged from birth to age 7 years shall not be designed,

manufactured or supplied with drawstrings, functional cords or decorative cords in the hood or neck area.

Product Motorcycles - Fuel pump cover

Brand YAMAHA

EC-type approval/model model YZF-R125, model code 5D71, 72

Product description The recall concerns model year 2009 motorcycles, with VIN numbers from VG5RE061000000140 (start of production) to VG5RE061000020590.

Risk type Fire

Risk description The product poses a risk of fire because environmental stress crack may occur on the fuel pump cover due to bad matching between fuel pump cover material with fuel pump assembling lubricant and constant tensile stress. In the worst cases, complete fuel pump cover separation may happen, thus reducing sealing performance between the fuel tank and the fuel pump and causing fuel leakage.

| Type                   | Consumer  |
| Product                | Plastic rattle - Baby Bath Time Fun   |
| Brand                  | My Play Fun   |
| Type / number of model | 66123A-F  |
| Product description    | Plastic figures with rattles in a box marked "For ages over 6 months" and yet, on the bottom of package, there is a warning in different languages: "Not suitable for children under 3 years because of small parts".   |
| Risk type              | Chemical<br>Injuries  |
| Risk description       | The product poses: - a chemical risk because the plastic figures contain from 35% to 36% of bis (2-ethylhexyl) phthalate (DEHP). According to the Chemical Restrictions Directive 76/769/EEC, certain phthalates in toys are prohibited; - a risk of injuries because sharp edges and sharp points can become accessible. The product does not comply with the Toys Directive and the relevant European standard EN 71. |

| Type  | Consumer  |
| Product   | Towelling cloths  |
| Brand   | Unknown   |
| Type / number of model                              | Towelling cloths with various decorations in the form of small fruits: - Cream swiss roll (7380a), type: 3028600264544, - Green tea cake roll (7377p), type: 3028600264568, - Cocoa swiss roll (7381y), type: 3028600264575, - Sweet love (7375t) type: 3028600264599, - Mini moka (7378m) type 3028600264605.  |
| Product description                                 | Decorations in the form of small plastic fruits (cherries, strawberries etc.) supplied on towelling cloths in the form of cakes.  |
| Risk type   | Choking   |
| Risk description                                    | The product poses a risk of choking because the cherry, strawberry, apple or lemon slice decoration on the towelling cloth can become easily detached. The artificial fruits fit completely into the small parts cylinder. It is therefore likely that children might mistake them for foodstuffs and swallow them. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers. |

Alert number 0389/09

Notifying country The Netherlands

Product category Gas appliances and components

Type Consumer

Product Portable camping stove

Brand Eurocamping

Type / number of model 1091

Product description Portable camping stove functioning with butane gas cartridges.

Risk type Burns

Risk description The products pose a risk of burns because the user can unsafely replace the cartridge in the housing of the appliance. After fitting the cartridge it is possible to remove it without first having to remove the piercing device, because the security spring in the housing can be easily removed. This may cause unsafe or unintended piercing of the cartridge. The discharge of unburned gas can ignite. The product does not comply with the Gas Appliances Directive and the relevant European standard EN 521.

Country of origin Italy

Measures ordered by public authorities Other : Sales ban and withdrawal from the market ordered by the authorities.

Notifying country The Netherlands

Product category Gas appliances and components

Type Consumer

Product Camping Light

Brand Eurocamping

Type / number of model 1090 Piezo

Product description Portable camping light functioning with butane gas cartridges.

Risk type Burns

Risk description The product poses a risk of burns because ignition is not possible if the appliance is cold. This can cause a discharge of unburnt gas and subsequently a burst of flame at ignition with a consequent risk of injury. The cartridge in the housing of the appliance can be unsafely replaced by the user. After fitting of the cartridge it is possible to remove it without first having to remove the piercing device. This is possible because the security spring in the housing can be easily removed. The product does not comply with the Gas Appliances Directive and the relevant European standard EN 521.

Product category Lighting chains

Type Consumer

Product Lighting tube

Brand DUE ESSE

Type / number of model Ref. 8027501760327,

Product description A 6 metre long, multicoloured, tube-type lighting chain for internal and external use with a function programmer. Packaging: a cardboard box with a label indicating the name and address of the importer, the CE-mark and the text "Made in China".

Risk type Electric shock

Risk description The products pose a risk of electric shock because: - the characteristics of the chain's cable do not meet the requirements in the standard, - the nominal cross-section of the conductors is 0.45 mm<sup>2</sup>, which is less than the 0.50 mm<sup>2</sup> required by the standard. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Country of origin People's Republic of China

Measures ordered by public Other : Withdrawal from the market ordered by the
