Product **Children's high chair**

Name **3 in 1 High Chair to Booster Seat**

Brand **Fisher Price**

Type / number of model **P6028**

Product description **Child's high chair which converts from a high chair to a toddler booster seat. It includes a removable tray, height adjustment and folds for storage.**

Risk type **Injuries**

Risk description **The product poses a risk of injuries because if the seat is occupied and the release latch is released, the booster seat portion can fall. In addition, the seat back can detach if not fully snapped in place and the child can fall out.**

Product **Children's jacket**

Brand **BABY TEAM**

Type / number of model **Code: 2080**

Product description **Children's jacket in grey, orange, green and blue with a hood containing elastic drawstrings that end in plastic toggles. On the front of the jacket there is embroidery with the following inscription in English: "THE WINNER PUPPY, 23, Challenge by Puppy". Size: 18 months.**

Risk type **Strangulation**

Risk description **The product poses a risk of strangulation due to the presence of drawstrings in the neck area. The product does not comply with the relevant European standard EN 14682 according to which garments intended for young children aged from birth to age 7 years shall not be designed, manufactured or supplied with drawstrings, functional cords or decorative cords in the hood or neck area.**

Product **Passenger car - Brake booster**

Brand **Alfa Romeo**

EC-type approval/model **models 159, Brera and Spider all types (Recall Campaign 5338)**

Product description **The recall concerns ALFA ROMEO 159, Brera and Spider (all types) vehicles with 3.2 V6 engine and automatic transmission, both left-hand drive and right-hand drive, with chassis numbers: - 159 - Chassis numbers from 7029869 to 7158997, - Brera/Spider chassis numbers from 5000021 to 5024089**

Risk type **Injuries**

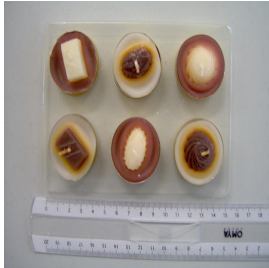

Risk description **The product poses a risk of injuries because the brake pedal can be stiff when pressed for the first few times after starting the cold engine at altitudes higher than 1000 metres above sea level. This is due to insufficient brake booster assistance caused by low vacuum at low engine speed at high altitude immediately after cranking and could cause a risk of a road accident.**

Product **Candles - SCENTED CANDLE**

Brand **COFFEE**

Type / number of model **REF: 24551,**

Barcode **5 205609 245516**

Product description **Food-imitating decorative coffee-scented candles in the shape of brown or white coloured small chocolates with brown or white topping (approximate dimensions: diameter 3.6 cm, height 2.1 cm), placed on a metallic base. The candles are packed in six pieces in a cardboard box (approx. dimensions: 15.5 cm x 10.5 cm x 2.8 cm), decorated with images of coffee beans. The candles cannot be bought separately.**

Risk type **Choking**

Risk description **The product poses a risk of choking as, due to the characteristic form, appearance, colour and size, it may be mistaken for a foodstuff (chocolate). This may lead children to put it into their mouths, cut it into pieces and swallow them, which could entail the risk of asphyxia or obstruction of the digestive tract. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.**

Toy mobile phone

Brand

Jie Cheng Toys (JC)

Type / number of model

JC-6670, EAN 5907800860825, AL. 3407.

Product description

The toy is a mobile phone with a picture of bird. The toy is coloured red, with yellow and silver on the front. It is powered by 2 R6 batteries, which are not attached. The packaging is a cardboard box. On the sticker and on the packaging there are warnings and information in Polish concerning the product, name and address of the importer, "CE mark", "Made in China", number of product and EAN, a pictogram concerning the age 0-3 restriction, "Choking hazard due to small parts".

Risk type

Damage to hearing

Risk description

The product poses a risk of damage to hearing because the A-weighted emission sound pressure LpA is 98dB, whereas the limit for close-to-the-ear toys is 80 dB. The product does not comply with the Toys Directive and with the relevant European standard EN 71.

Product category	Toys
Type	Consumer
Product	Set of bow and blow pipe - Action Archery - Blow Pipe
Brand	Fun-tastic
Type / number of model	2735/2301
Barcode	5025066405854
Product description	A red and turquoise bow with two red arrows with black suction cups and a red, green and yellow blow pipe with four yellow foam darts with green suction cups. Packaging is multi-coloured cardboard blister pack with instructions.
Risk type	Choking Injuries
Risk description	The product poses a risk of: - choking because the suction cups detach from the arrows and the foam darts at considerably less force than 90N and they fit completely into the small parts test cylinder, - injuries because arrows can be fired without the sucker ends, meaning that the arrows would be classed as 'rigid projectiles without resilient impact surfaces' and the kinetic energy of 0.56J exceeds the permitted maximum of 0.08J for rigid projectiles. The product does not comply with the Toys Directive and with the relevant European standard EN 71.
Country of origin	People's Republic of China

Product category	Toys
Type	Consumer
Product	Toy gun with darts - Model gun
Brand	Fun-tastic (Cartoon toys)
Type / number of model	Model no. 59486, Bar code: 5025066594862, Item no. 3854.
Product description	Yellow, pink and blue plastic toy gun with four red foam darts with red suction cup ends. Attached to a cardboard blister pack. Packaging marked: WARNING: Do not use any bullets/darts/arrows or any other projectiles except those supplied with this toy. Do not aim at eyes or face. Not suitable for children under 36 months due to small parts. WARNING: CHOKING HAZARD - Small parts. Not for children under 6 years.
Risk type	Choking
Risk description	The product poses a risk of choking because the suction cup component of all four projectiles can be detached with a force of less than 90N (i.e. two can be detached at 22N and 29N and the other two can be detached at 20N and 24N) and they fit into the small parts cylinder. As children often put suction cups into their mouths to moisten them, there is a risk that the suction cup detaches in the mouth and this could pose a potential choking or asphyxiation hazard to a child, by blocking the airway. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Ladies' boots

Brand

TOO MUCH

Type / number of model

Ref. 8236 .

Product description

Ladies' long boots, black or brown in colour. Attached to the boots by a plastic thread is a cardboard tag marked "TOO MUCH". The packaging is a black cardboard box marked "TOO MUCH-SHOES COLLECTION-REF 8236", colour and number. As well as the boots, which are wrapped in tissue paper, the box contains five paper sachets; two are white with black lettering, and marked with the words "DESICCANT SILICA GEL THROW AWAY" DO NOT EAT". Another two sachets are printed with the words "DESICCANT BIOCHEMICAL DRY DO NOT EAT" in blue, and one other sachet is marked with "MOULDPROOF AGENT DO NOT EAT" in green.

Risk type

Chemical

Risk description

The product poses a chemical risk because of the presence of dimethylfumarate (DMF) in the footwear and in all three types of sachets included in the packaging. Dimethylfumarate is a substance which is considered harmful, irritating and sensitising on contact with the skin, and its use as a biocide is not authorised. One incident reported.
