Product High-pressure water cleaner

Brand Unifirst

Type / number of model Model THG055CA, ref. 9221102. Bar code: 3551692211023

Product description An electric high pressure cleaner packed in a cardboard box.

Risk type Electric shock

Risk description The product poses a risk of electric shock because it does not have the right level of ingress protection against water. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from the market ordered by the authorities.

Notifying country Germany

Product category Motor vehicles

Type Consumer

Product BMW motorcycles

Brand BMW

EC-type approval/model BMW F 800 GS, Type E8GS.

Product description The motorcycles concerned have a type-approval number e1\*2002/24\*0352 and were built between August 2008 and October 2008.

Risk type Injuries

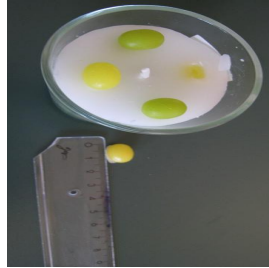

Risk description The product poses a risk of injuries because, due to irregularities in the manufacturing process, the front-wheel quick-release axles could break due to reduced wall thickness. Severe loads on the front wheel (off-roading, for example) could cause damage to the quick-release axle.

Product	Gel candle
Brand	Unknown
Type / number of model	Art. No. 16133578; EAN 2000161355788
Product description	Gel candle in a transparent glass, decorated with four small Easter eggs (green and yellow).
Risk type	Choking
Risk description	The product poses a risk of choking because the coloured wax Easter eggs on the candle can be removed easily and fit into the small parts cylinder. Due to its characteristic form, appearance, colour and size, the product may be mistaken for a foodstuff. This may lead children to put it in their mouths and swallow, which could entail the risk of asphyxia or obstruction of the digestive tract. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.
Country of origin	People's Republic of China
Measures taken by	Other : Voluntary withdrawal from the market by the importer.

Product category Lighting chains

Type Consumer

Product Lighting chain - Christmas collection - "Light up your life this Christmas"

Brand Mini light

Type / number of model models: 100L, 140L, 180L and 240L

Product description 100, 140, 180 and 240 lighting chains with miniature light bulbs (rice lights); coloured yellow, green, blue, red. The chains are provided with a control device for changing the lighting effects. The plug is type "euro" with symbols 2.5A 250V, 50Hz. The product is packed in a violet cardboard box with pictures of icicles and a light chain, marked "Christmas Collection, mini light, Light up your life this Christmas".

Risk type Electric shock

Risk description The product poses a risk of electric shock because: - the top of the control box is attached in a way that it opens partially with minimum effort, - there is no anchorage in the supply cord, - the supply cord have basic insulation, - the conductors of the supply cord have a cross-section area of less than 0,5 mm<sup>2</sup>, - the plug does not meet requirements. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Product Lighting chain

Brand Microlampadas multifuncoes

Type / number of model 140L

**Product description** Lighting chain consisting of 140 miniature light bulbs (rice lights); coloured yellow, green, blue, red; provided with a control device for changing the lighting effects; with a rated voltage of complete chain 220 V marked on the packaging; plug with symbols 2.5A 250V, 50Hz. The packaging is a cardboard box in dark blue with tiny white spots and pictures of Santa Claus in a sledge. There are printed instructions in Bulgarian with the name and address of the importer.

Risk type Electric shock

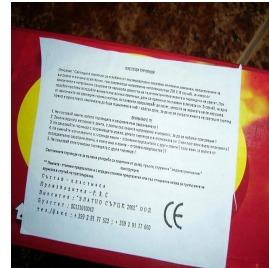

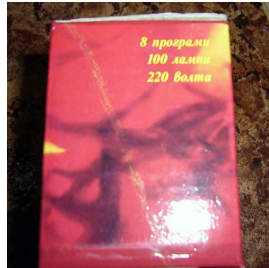

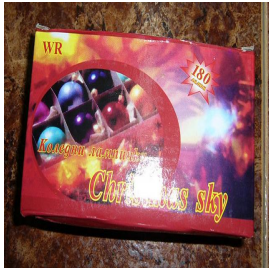

**Risk description** The product poses a risk of electric shock because: - the supply cord have only basic insulation, - the conductors of the supply cord have a cross-section area of less than 0.5 mm<sup>2</sup>, - the lighting chains are not marked with the maximum rated wattage, - information contained in the instructions for use inform the user that the lighting chains can be used in both closed and open areas, which is misleading as they are obviously intended for use in closed areas only. The product

does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
