Product Passenger car - Dacia

Brand Dacia

EC-type approval/model Dacia Logan and Sandero

Product description Dacia Logan and Sandero passenger cars manufactured between 26 May and 12 November 2008.

Risk type Injuries

Risk description The product poses a risk of injuries as the ABS control system does not function correctly - the warning light may not light up. This failure could lead to a road accident since the driver is not warned that the control system is out of order and that there could be a problem with the brakes.

Alert number 0674/09

Notifying country Greece

Product category Motor vehicles

Type Consumer

Product Passenger car - Suzuki Grand Vitara

Brand Suzuki

EC-type approval/model Grand Vitara Turbodiesel 1.9L (models JB419WD/JB419XD)

Product description The recall concerns vehicles with chassis numbers from JSAJTD44V00106868 to JSAJTD44V00223811 (5D) and from JSAJTA44V00107438 to JSAJTA44V00208921 (3D), with a production period between beginning of June 2005 and 28 February 2007.

Risk type Fire

Risk description The product poses a risk of fire as, due to improper protection of the engine harness, the harness can come into contact with the bolt securing the timing belt cover, or the timing belt cover itself, and thus the harness insulator may be damaged. If driven repeatedly in such condition, the harness may short-circuit, causing malfunction of the engine. In the worst case, it could result in a fire.

Product Expanding toys, turtle and crab - Grow toys

Brand Vision® international people group

Type / number of model Unknown

Product description
 1. Toy in form of turtle, weight - 6.5 g, dimensions of toy approximately: (42 x 35 x 23 mm). 2. Toy in form of crab, weight - 7.0 g dimensions of toy approximately: (28 x 39 x 15 mm). The expanding toys are made from hard spongy and expanding polymeric material. With the toy there was manufacturer label with the inscription: "Growing toys fruit & vegetable. Do not swallow; Expands To Over 600% Of Original Size". The other side of the label is marked: "Create your world", "non-toxic", "Not recommended for children under 3 years old. Warning: Choking Hazard- Small Parts. Not for children under 3 Years."

Risk type
 Choking
 Injuries

Risk description
 The product poses a risk of choking and injuries because after 72 hours in water the figure and parts, which may become detached from the expanding figure, grow in size by more than 50%. If a child swallows this toy or part of it, contact with the saliva or gastric juices will cause the toy to expand which

may cause asphyxia or gastrointestinal injuries. The product does not comply with the Toys Directive and the relevant European standard EN 71.

Product category	Electrical appliances and equipment
Type	Consumer
Product	Plug for non-heating appliances
Brand	Feiyu
Type / number of model	SKS01
Product description	Plug for non-heating appliances. Marking on the plug: 10A, 250V~, L E N.
Risk type	Electric shock
Risk description	The product poses a risk of electric shock because: - the creepage gap and air gap between the earthing and live components, measuring only 2.6 mm, is too small (minimum gap required is 4 mm), - the strain relief device, which is intended only for sockets and not for plugs, is faulty, - the appliance's plug-and-socket connection is not mechanically stable. After being put back together following connection to a mains lead, the two parts of the housing come apart, exposing live components and thus presenting a risk of electric shock. The product does not comply with the relevant European standard EN 60320.
Country of origin	People's Republic of China
