Product Candles

Brand Pastry candle

Barcode 5998042578555

Product description Nine candles in various forms imitating pastries. The candles are packed in paper box with a transparent lid and tied with a ribbon. Dimension: 180 mm x 180 mm.

Risk type Choking
Injuries

Risk description The product poses a risk of choking and injuries as, due to its appearance, it may be confused with food, especially by children. Small parts can be detached and may be swallowed by children, posing a risk of choking or blockage of the digestive system. The product does not comply with Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Withdrawal from the market and recall from consumers ordered by the authorities.

Product Baby's jacket - TBT

Brand Felpa Baby

Type / number of model Model TF 4792

Product description Baby's jacket in red colour with a hood, zip and a long, fabric drawstring in the waist area. On the front of the jacket, there is embroidery in gold with the inscription: "TBT". There is also embroidery depicting a heart and a moon. Size: 4-8 years old.

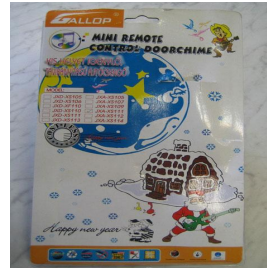

Risk type Strangulation

Risk description The product poses a risk of external injuries due to the presence of a drawstring in the waist area that protrudes more than 140 mm at each end when the garment is opened to its largest and laid flat. The product does not comply with the relevant European standard EN 14682.

Country of origin Italy

Measures ordered by public authorities Other : Corrective actions ordered by the authorities.

Type Consumer

Product Mini remote control doorchime

Brand Gallop

Type / number of model JXA-XS111 (on packaging), 002318-2 (on product)

Product description A wireless, electric doorbell consisting of two parts. The bell-part can be connected to the mains supply, the push-button is operated with a 12 V A23 battery and connection to the bell is made by radio frequency. Technical specifications: 220-240V, 50-60Hz, max 5W; battery type: A23, 12 V.

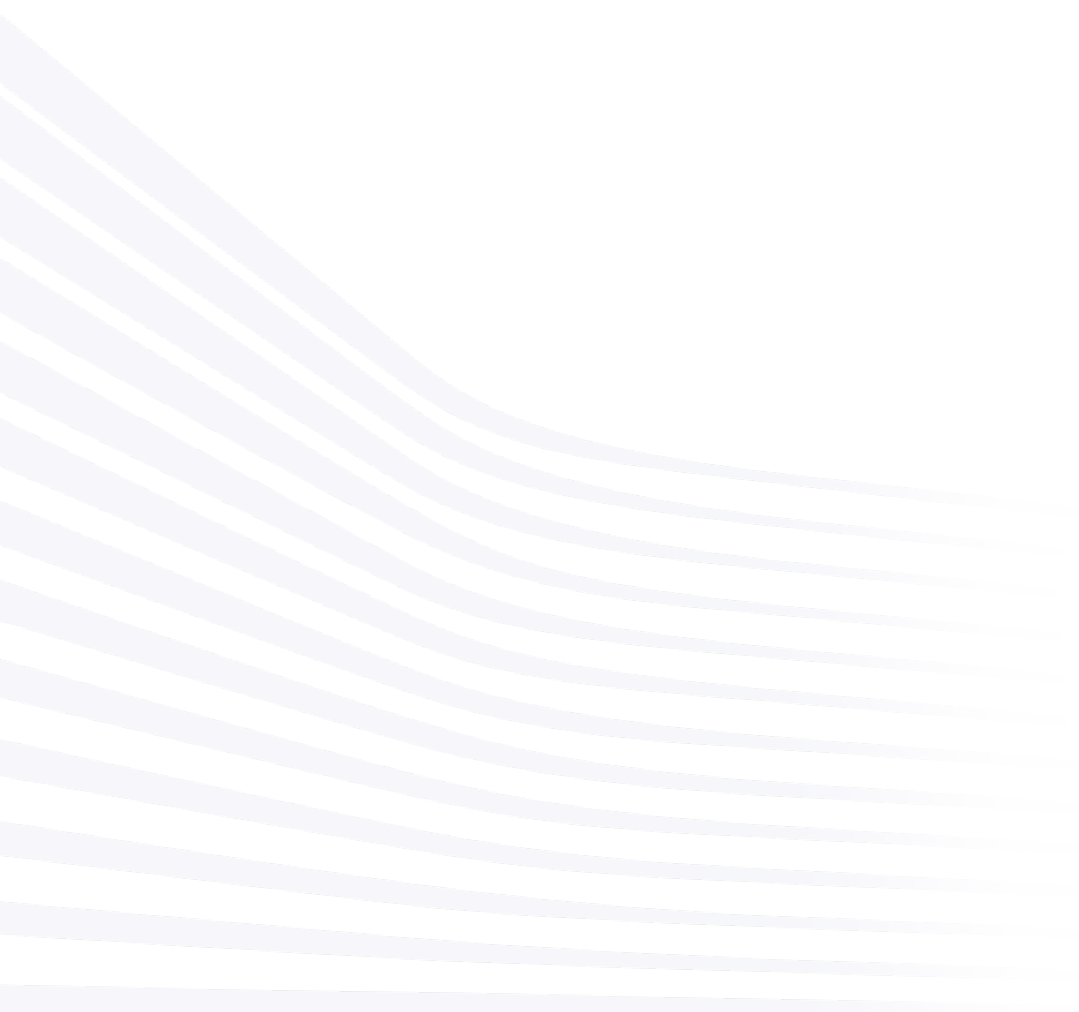

Risk type Electric shock

Risk description The product poses a risk of electric shock because the plastic components fixing the conducting parts have insufficient mechanical strength. In addition, the dimensions of the plug are significantly smaller than required. The product does not comply with the Low Voltage Directive and the relevant European and international standards EN 60065 and IEC 60884.

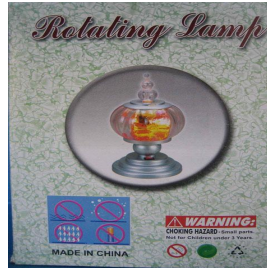

Country of origin People's Republic of China

Measures ordered by public Other : Withdrawal from the market and recall from

authorities consumers ordered by the authorities.

Alert number 0807/09

Notifying country	Hungary
Product category	Lighting equipment
Type	Consumer
Product	Rotating table lamp
Brand	Unknown
Type / number of model	Unknown
Product description	The lamp illuminates two moving foils (imitating seabed and sea-life) inside the transparent top part of the lamp. Main components: mains plug (2.5 A, 250 V); mains supply cable (RVVB PVC INSULATED WIRE 300/300V); motor without marking; lampholder - E12. A candle-formed bulb (marking: 220 V, 15 W) is supplied with the product. Technical specification: 230 V ~, Class II.
Risk type	Electric shock
Risk description	The product poses a serious risk of electric shock because: - the design of the connecting terminals is not appropriate, - the cross-section area of the cable is too small, - the dimensions of the plug do not comply with the requirements, - the bushings of the internal wiring are not fixed in position, - there is no device protecting against pulling or torque, - live parts become accessible when replacing the bulb. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Product Hair drier

Brand Sokany

Type / number of model RCY-1100W (on the packaging: SM-2000)

Barcode 6932186820001

Product description The product has a silver-coloured metal cover and black plastic handle. The mains cable (marking: RVVB PVC INSULATED ELECTRIC WIRE 300/300V) is supplied with a non-rewireable plug. Marking on the switch: Shundan AC250V 6A. There is no marking on the motor and heating element. Adequate thermal protection is missing. Technical specification: AC220V; 50/60 Hz; 2000 W; Class II.

Risk type Electric shock
Fire

Risk description The product poses a risk of: - electric shock, because the mains cable is not properly fixed to the terminals (only soldering is used). Thus, when heating elements break they can come into contact with metal parts, which became active during the test; - fire, when the product overheats. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.

Product Angle grinder

Brand Möller Professional

Type / number of model MR/AG230-120

Barcode 131810701206

Product description The product has a motor covered with plastic. One grip is fixed to the end of the casing and is made of plastic in another colour. It can be turned after releasing a lock and includes the mains supply switch. The second plastic grip can be screwed into any of the holes on the side of the metal crank case. It is also equipped with a protective shield made of iron-plate, which can be fixed to the crank case by fastening a separate screw. Main parts of the device: mains plug („16A/250V~ Y-002” + mark of manufacturer + VDE); mains cable („H05VV-F 0.75mm2X2C), switch („FA2-10/2B 20(20) A 110V~ 10(10) A 250V~5E4”).

Risk type Electric shock
Fire
Injuries

Risk description The product poses risk of: - electric shock, since the electrical strength decreases during the heating test; the dimensions of

the main cable do not comply with the requirements and therefore the cable can be damaged; - fire, since the product caught fire and burnt during the heating test carried out at rated power; - injuries, because as a consequence of the inappropriate design of the terminals and the location of the switch, operation of the appliance is not reliable and could present a risk to the user. The product does not comply with the Machinery Directive and the relevant European standard EN 60745.

Product Children's bicycle - Keller Helix Bicycle

Brand Keller Helix

Type / number of model 12" MTB

Product description Children's bike equipped with a metal frame in a combination of blue and yellow colours and a front brake.

Risk type Injuries

Risk description The product poses a risk of injuries because the end of the handlebar grips' diameter is only 32 mm, which is less than the required 40 mm. This could cause the child's hands to slip from the handlebars and lead to a fall while riding. The product does not comply with the relevant European standard EN 14765.
