

Alert number **[0951/09](#)**

Notifying country **Germany**

Product category **Electrical appliances and equipment**

Type **Consumer**

Product **Thermal actuator**

Brand **Oreg / Eberle**

Type / number of model **TS Kompakt / TSK (TSK 5.11), 230V version.**

Product description **Thermal actuator used as part of the control system for heating installations. It is normally used for under floor heating, however an estimated 1 % of the products are fitted to radiators. This notification only concerns products fitted to radiators.**

Risk type **Electric shock**

Risk description **The product poses a risk of electric shock if it is fitted to a radiator because the transparent cap can crack or break off and users can thus touch live components. The product is not considered to pose a serious risk when it is installed in heating systems in such a way that it is not accessible to users.**

Country of origin **Germany**

Measures taken by economic operators **Other : Voluntary withdrawal from the market and recall from consumers by the manufacturer.

Product **Tool set - Promethean**

Brand **Tony**

Type / number of model **1105/5701719434098**

Product description **Collection of plastic tools including a hard hat, saw, hammer, screwdriver, 2 nuts & bolts, spanner and imitation wood made from plastic. The approximate dimensions of the hard hat are: 230 mm long, 170 wide and 80 mm high. The nuts are 28 mm in diameter and 13 mm high.**

Risk type **Choking**

Risk description **The product poses a risk of choking because it is intended for children under 36 months and the nuts can be swallowed as they fit into the small parts cylinder. The product does not comply with the Toys Directive and the relevant European standard EN 71.**

Country of origin **People's Republic of China**

Measures taken by economic operators **Other : Voluntary recall from consumers and corrective actions taken by the importer.

Product **Wooden toy - Holder til mælketænder (Container for milk teeth)**

Brand **Søstrene Grene**

Type / number of model **Unknown**

Product description **A wooden cat figure with elastic arms and wooden balls as hands. The figure can be opened and small items such as milk teeth can be kept inside. The approximate dimensions of the figure: 34 mm in diameter and 60 mm high.**

Risk type **Choking**

Risk description **The product poses a risk of choking because the elastic arms with wooden balls can be pulled off with a force of less than 90 N and swallowed as they fitted within the small parts cylinder. The product does not comply with the Toys Directive and the relevant European standard EN 71.**

Country of origin **People's Republic of China**

Product **Cordless kettle**

Brand **Dynora**

Type / number of model **DY-335C, AC 230V, 50Hz, 2200W**

Product description **A cordless kettle for minimum 0.5 and maximum 2 litres of water. The product is coloured light green. The packaging is a cardboard box with a picture of the product on the side. The packaging is marked as follows: "Made in China", CE mark, GS mark, B mark. There is no EAN number on the packaging.**

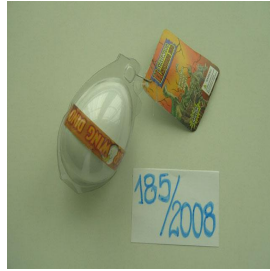

Risk type **Burns
Electric shock**

Risk description **The product poses a risk of burns and electric shock because of: - the use of incorrect material for thermal connection (thermal switch-off), which means the kettle can become deformed and allow water to leak; - the use of inappropriate material in the wires and conductors and unsuitable length of wires. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.**

Product category **Toys**

Type **Consumer**

Product **Expanding toy - Growing Hatching Egg - Dinosaur egg**

Brand **Unknown**

Type / number of model **EAN 7460745950726**

Product description **The toy is an egg with dimensions of approximately 58.7 x 45 mm, containing a cockerel made of hard yellow coloured plastic, painted partly red. The egg shell consists of two glued parts. With the toys are tags with the CE mark, warnings: "Do not swallow", "Use only under supervision of an adult", "Store out of reach of children below 3 years", "Small parts - risk of choking", "The packaging is not a toy", "Please keep the packaging for further reference", "Made in China", and user's instructions.**

Risk type **Choking**

Risk description **The product poses a risk of choking because after 72 hours in water the toy expands by 105% - 176%. If a child swallows the toy, or part of it, contact with the saliva or gastric juices will cause the toy to expand which may cause asphyxia or gastrointestinal injuries. The product does not comply with the Toys Directive and the relevant European standard EN 71.**

Product **Plastic toy - Swimmers set**

Brand **Dasini**

Type / number of model **738**

Product description **A toy crocodile made from hard plastic in blue, green and yellow colours. To make the toy move, a key should be turned and the crocodile's front legs will move and swim in the water. Weight of toy: 25 g, measurement (145 x 90 x 41) mm. The packaging is a transparent, plastic bag with a label. Both sides of the packaging have colourful drawings and the name of the product in large letters: "SWIMMERS SET", as well as smaller print which reads "Dasini", "Made in China". There is also a CE mark and a pictogram concerning the age restriction and warnings.**

Risk type **Choking
Injuries**

Risk description **The product poses a risk of choking and injuries because the start key and the front legs, which can be easily detached from the toy, fit entirely into the small parts test cylinder. The product does not comply with the Toys Directive and with the relevant European standard EN 71.**

Infant car seat

Brand

Bugaboo

Type / number of model

Bugaboo car seat group ECE 0/0+ (up to 13 kg), up to approximately 15 months of age developed by Takata: 1. 80700BL01 Bugaboo car seat developed by TAKATA EU1 BLUE 8717447019305; 2. 80700RD01 Bugaboo car seat developed by TAKATA EU1 RED 8717447019312; 3. 80700SA01 Bugaboo car seat developed by TAKATA EU1 SAND 8717447019329; 4. 80700YE01 Bugaboo car seat developed by TAKATA EU1 YELLOW 8717447019336; 5. 80700ZW01 Bugaboo car seat developed by TAKATA EU1 BLACK 8717447019343; 6. 81700BL01 Bugaboo car seat developed by TAKATA EU2 BLUE 8717447019350; 7. 81700RD01 Bugaboo car seat developed by TAKATA EU2 RED 8717447019367; 8. 81700SA01 Bugaboo car seat developed by TAKATA EU2 SAND 8717447019374; 9. 81700YE01 Bugaboo car seat developed by TAKATA EU2 YELLOW 8717447019381; 10. 81700ZW01 Bugaboo car seat developed by TAKATA EU2 BLACK 8717447019398.

Product description

The infant car seat has a handle for carrying which is screwed into the left and right-hand side of the car seat. The screws are covered by black plastic caps so cannot be seen from the outside. Colours: yellow, red, black, blue or sand.

Risk type

Injuries

Risk description

The product poses a risk of injuries because: - the plastic cap which is designed to hide the screws prevents the user from seeing if the screws are missing and, if this is the case, there is the danger that the handle detaches itself and the seat and child may fall; - the car seat may be clicked on to the frame of a pram but in some cases the mechanism does not fit correctly into the pram frame. This may cause the infant car seat to fall off the frame with the result that the child gets hurt. This product does not comply with the relevant European standard EN 12790.
