Product Doll

Brand My baby

Type / number of model Unknown

Product description The doll is made from softened PVC, clothed in textile material, with boots and brown hair. Packed in a transparent plastic bag closed with a coloured printed tag marked MY BABY, PLAST HRACKY.

Risk type Chemical

Risk description The product poses a chemical risk because the plastic material from which the toy is made contains 0.44% by weight of bis (2-ethylhexyl) phthalate (DEHP) and 10.50% by weight of di-"isononyl" phthalate (DINP). According to the REACH Regulation, certain phthalates in toys are prohibited.

Country of origin People's Republic of China

Product Children's dress - Camilla dress

Brand MOLO

Type / number of model 42910302

Barcode 5704354213974

Product description Blue dress with front zipper and 2 pockets with zippers. Near the collar there are drawstrings that by means of toggles can regulate the tightness of the dress around the arms. The size of the waist can be adjusted by a toggle which forms two loops in the waist area. On the back of the dress the length can be regulated by a toggle and forms a loop that hangs below the lower edge of the dress.

Risk type Injuries
Strangulation

Risk description The product poses a risk of strangulation and injuries because the dress has functional strings in the neck area and at the back. The product does not comply with the relevant European standard EN 14682.

Country of origin People's Republic of China

Measures taken by economic operators

Product Baby's soother - Nutty Professor teeth

Brand Billy-Bob

Type / number of model EAN-Code: 658890501307; 132 100180; 10051808

Product description Baby's pacifier with a shield in the form of lips with four teeth

Risk type Choking

Risk description The product poses a risk of choking because it does not include a ring or knob projecting at least 10mm to allow the soother to be gripped if it becomes lodged in a child's mouth. Moreover, the 6.2mm diameter measuring rod passes easily through the holes of the shield, which means that a child's fingers could become trapped in it. The product does not comply with the relevant European standard EN 1400.

Product Expanding dinosaur egg - Grow toys - Growing Hatching Egg

Brand Unknown

Type / number of model Unknown

Product description Toy in the form of an egg. The shell is made of white fragile material. A green dinosaur is hidden inside the egg, which hatches and grows when immersed in water. Dimensions of the egg: approximately 58x46mm. Weight: 29 g. The toy is intended for children over the age of 3 years.

Risk type Choking

Risk description The product poses a risk of choking because after 72 hours in water the toy expands by more than 50%. If a child swallows the toy, or part of it, contact with the saliva or gastric juices will cause the toy to expand which may cause asphyxia or gastrointestinal injuries. The products do not comply with the Toys Directive and the relevant European standard EN 71.

Country of origin People's Republic of China

Measures ordered by public authorities Other : Sales ban, withdrawal from the market and recall from consumers ordered by the authorities.
