Notifying country	Hungary
Product category	Lighting chains
Type	Consumer
Product	Lighting chain - Christmas lights
Brand	ICICLE LIGHTS 180
Type / number of model	MG-100 (on the packaging), MG-140 (on the packaging)
Barcode	6903711101179
Product description	The lighting chain includes 180 series-parallel-connected non-replaceable miniature lamps with resistor bridge. The flashing unit operates the four parallel circuits of the lamps. Main components: „XINGDA XD-01 2.5 A 250 V~ VDE, KEMA” mains plug; „EK-04, PRESS, ETS EMC LVD IP44” 8-function flashing unit; mains cable without marking. Technical parameters: F-mark, Class II.
Risk type	Electric shock Fire
Risk description	The product poses a risk of electric shock and fire because: - the lack of cord anchorage protecting against pulling and twisting force, - the connections are not properly fixed and live parts may be accessible, - the insulation of the mains cable is only single insulated and thus flashover may occur, - there is no protection against ingress of moisture, - the cross section area of the core is less than required. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
