Alert number **1242/09**

Notifying country **Germany**

Product category **Motor vehicles**

Type **Consumer**

Product **Motorcycle - K25 / R-series**

Brand **BMW**

EC-type approval/model **R12, R 1200 GS. The motorcycles affected (47 691 worldwide) were manufactured between August 2006 and January 2008 and have the type-approval number: e1*2002/24*0199*.**

Product description **Motorcycle**

Risk type **Injuries**

Risk description **There is a risk of injuries because water ingress into the fuel-pump electronics can result in failure of the fuel supply. This may have the effect that the engine can cut out.**

Country of origin **Germany**

Measures taken by economic operators **Other : Voluntary recall from consumers by the manufacturer.
Other**

Product category **Motor vehicles**

Type **Consumer**

Product **Van - Viano, Vito**

Brand **Mercedes-Benz**

EC-type approval/model **Type 639, EC-type approval: e9*2001/116*0048, ABE L275. The vehicles affected were manufactured between October-December 2005 and March-April 2006 and have vehicle identification numbers in the range 113873 - 243876.**

Product description **Van**

Risk type **Injuries**

Risk description **There is a risk of injuries because the rear vent windows of the affected vehicles can become loose and may detach completely causing an accident.**

Country of origin **Germany**

Measures taken by economic operators **Other : Voluntary recall from consumers by the manufacturer.
Other**

Products were found and measures were taken also in **Hungary

Notifying country **Greece**

Product category **Motor vehicles**

Type **Consumer**

Product **Motor car - Carens, Carnival, Sportage and Sorento**

Brand **KIA**

EC-type approval/model **2007 model year vehicles, produced from 20 September 2006 to 25 October 2006.**

Product description **Motor car**

Risk type **Injuries**

Risk description **There is a risk of injuries with the affected vehicles because the brake light switch may malfunction causing the brake lights to fail to illuminate when the brake pedal is depressed, or to remain illuminated when the brake pedal is released. In addition, it is possible that the electronic stability control may be disabled and that the cruise control may not deactivate when the brake pedal is pressed.**

Country of origin **Republic of Korea**

Measures taken by economic operators **Other : Voluntary corrective actions taken by the importer.

Product category **Recreational crafts**

Type **Consumer**

Product **Personal water craft**

Name **JT1500A8F - STX-15F**

Brand **Kawasaki**

Type / number of model **Serial numbers from US-KAW49096A808 to US-KAW49325E808**

Product description **Personal Water Craft**

Risk type **Fire**

Risk description **The product poses a risk of fire because, under certain circumstances, the fuel tank can develop cracks which could allow fuel to leak into the engine compartment.**

Country of origin **United States**

Measures taken by economic operators **Other : Voluntary corrective actions taken by the importer.
Other**

Products were found and measures were taken also in **The Netherlands**

Product category **Gas appliances and components**

Type **Consumer**

Product **Gas barbecue**

Brand **Landmann**

Type / number of model **923738302. Barcode 25120455. PLU 331.**

Product description **Gas barbecue with side burner, wheels and bottom table.**

Risk type **Burns**

Risk description **The product poses a risk of burns because the gas hose that feeds the side burner can, if assembled incorrectly, 'kink' up against the underside of the barbecue causing it to melt and allowing gas to escape which could ignite.**

Country of origin **Vietnam**

Measures taken by economic operators **Other : Voluntary withdrawal from the market and recall from consumers by the manufacturer.
Other**

Product **Men's shoes**

Brand **Yimaida**

Type / number of model **A91-89C-005**

Product description **Men's shoes, brown, size 44**

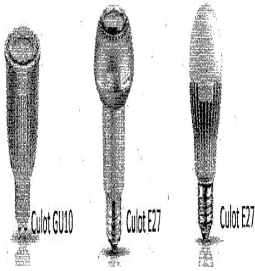

Risk type **Chemical**

Risk description **The product poses a chemical risk because the permitted threshold of 0.1 mg/kg of dimethylfumarate (DMF) is exceeded in the uppers (45 mg/kg) and in the lining (28 mg/kg). Dimethylfumarate is a substance which is strongly sensitising on contact with the skin, and consumer products containing dimethylfumarate are banned according to Commission Decision 2009/251/EC.**
