Alert number 1369/09

Notifying country	Finland
Product category	Clothing, textiles and fashion items
Type	Consumer
Product	Dress for babies
Brand	Play zone
Type / number of model	Style 398
Product description	Babies' dress with black velvet top and lace bottom with three pink underskirts. Black and pink cords on the waistline. Size: 80 cm.
Risk type	Chemical Injuries
Risk description	The product poses a chemical risk because the lining of the lower part releases 570 mg/kg of formaldehyde and the lining of the upper part releases 630 mg/kg of formaldehyde. Both of these values exceed the limits, assigned in national legislation, of 30 mg/kg of formaldehyde in textile products meant for children under 2 years old and 100 mg/kg for textile products that are in contact with the skin during normal use. The product also poses a risk of injuries due to the presence of decorative cords in the waist area. The product does not comply with the relevant European standard EN 14682.
Country of origin	People's Republic of China
