Type Consumer

Product Automatic battery charger

Brand XINJI

Type / number of model XJ-528B

Product description Battery charger with 4 different connectors, which is suitable for charging 4 AAA or AA or 2 C or D NiCd batteries. Technical parameters on the package: Input: AC 220V; Output: DC 3V-4.5V-6V 350mA.

Risk type Electric shock

Risk description The product poses a risk of electric shock because the mains supply cable is not properly attached and may become damaged, resulting in live parts under mains power supply voltage becoming accessible. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60335.

Alert number 1654/09

Notifying country	Germany
Product category	Furniture
Type	Consumer
Product	Roller stool - STAR
Brand	Genito
Type / number of model	STAR
Product description	STAR rolling stool, medium-sized (38-48 cm), with or without armrests; colours: grey, black, blue, yellow and red. In one variant, the opening in the seat section has a toroidal ring. In the other it has a non-continuous toroidal ring.
Risk type	Injuries
Risk description	The product poses a risk of injuries because it tips over easily and unexpectedly during normal use. When the seat height adjustment lever is put in the upper position, the seat becomes detached from the under-frame. The lack of stability and unexpected ejection of the seat pose the risk that the user may fall and suffer injury. Some stools have a locking mechanism on two of the five rollers, which increases further the danger of tipping over. Two accidents reported. The product does not comply with the relevant European standard EN 1335 and with DIN 4550.
Country of origin	Denmark
