Product **Rattle - Jakub**

Brand **Baby Toys**

Type / number of model **31-116**

Barcode **8594019111168**

Product description **A plastic triangle with three rings in which, on split axes, are inserted small, colourful, rattling balls with a diameter of 30 mm. The rattling balls, which contain another small ball made of hard plastic, are easily detachable from the split axes.**

Risk type **Choking Injuries**

Risk description **The product poses a risk of: - choking, because the balls can be easily accessed and swallowed if the rattle is broken; - injuries, because the plastic container for the rattling balls is not sufficiently strong at the joins and can crack creating small sharp pieces. The product does not comply with the Toys Directive and with the relevant European standard EN 71.**
