Product **Candles - Boszorkany Konyha**

Brand **Klaner**

Type / number of model **192114**

Barcode **9007255014623**

Product description **Candle imitating a lemon (100% stearin).**

Risk type **Choking
Injuries**

Risk description **The product poses a risk of choking and injuries as, due to its appearance, the candle can be confused with a foodstuff, especially by children. If they put it into the mouth they may bite small elements from it and, if small parts are ingested, it could lead to choking or obstruction of the digestive system. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.**

Product category	Laser pointers
Type	Consumer
Product	Mini laser set - Laser LevelPro3
Brand	Centerline
Type / number of model	No. DR64063;
Barcode	8008087067727.
Product description	The product is a device for use in DIY: it is made of plastic, 16 cm long and black and yellow in colour. The middle section is made of metal and is in the form of an inverted triangle stamped with the word "CENTERLINE". Underneath this is a black rectangular label with warnings in English. The laser component, which is black in colour, is in the upper part of the levelling device and extends a short way beyond it. There are rulers (metric and imperial) stamped on both sides of the lower part of the device. On the other side of the device, within the metal section, there is a black plastic suction cup with a red button and a mechanism enabling it to retract into the round indentation in the metal section.
Risk type	Damage to sight
Risk description	The product poses a risk of damage to sight because the laser pointer is classified as Class IIIA laser product. The product does not comply with the relevant European standard EN 60825.

Product **Electrical storage radiator - Elkatherm Elektroheizung mit Einbauthermostat (Elkatherm electric radiator with built-in thermostat)**

Brand **ELKatherm**

Type / number of model **Serial numbers: S, SN, SD, SL, SK, SND, year of production 2005, first placed on the market: 2005.**

Product description **Electric storage radiator with fire-clay core which permits smooth heat emission due to the full-area fire-clay storage core, which stores the heat and re-emits it evenly. Heating capacity of 500 watts - 3 000 watts. It is normally plugged into an earthed 230 V socket. A 16 amp fuse is needed for a heating capacity of 2 500 watts or above.**

Risk type **Fire**

Risk description **The product poses a risk of fire because the thermostat ceases to operate and "gets stuck" at high ambient temperatures and the product is no longer protected against overheating. The investigations led to the conclusion that, in the worst possible case, the thermostat could catch fire as a result of overheating of the built-in thermostat relay (radiator accessory). The product does not comply with the Low Voltage Directive (LVD) and the relevant European standards EN 60335 and EN 50366.**
