Product Baby sling carrier - SlingRider

Brand Infantino

Type / number of model 551-710 UPC 773554517101. 551-734 UPC 773554517347.
151-321 UPC 773554513219. 151-322 UPC 773554513226.

Product description A soft fabric baby sling-style carrier with a padded shoulder strap that is worn by parents and caregivers to carry an infant.

Risk type Suffocation

Risk description The product poses a risk of suffocation for babies in the first few months of life (younger than four months of age) because there is the possibility that (i) the sling's fabric can press against an infant's nose and mouth, blocking the baby's breathing and suffocating a baby, and (ii) where the sling keeps the infant in a curled position bending the chin toward the chest, the airways can be restricted, limiting the oxygen supply.
