Type	Consumer
Product	Passenger car - Lexus GS and LS
Brand	Lexus
EC-type approval/model	GS450h, LS460, LS600h e LS600hL. Year: 2006 to 2008.
Product description	Light Passenger Vehicle. VINs are available in the attached document .
Risk type	Injuries
Risk description	The product poses a risk of injuries because in the valve operating system of the engine, which contains multiple valves in each engine cylinder, there is a possibility that the strength of the valve spring may degrade, causing the spring to break. If one of the springs in the engine breaks, an abnormal noise and rough engine performance will be noticed. In the worst case, the engine could fail and stop suddenly while the vehicle is in motion.

Product Rattle - Best/Baby toys

Brand CM

Type / number of model 1/E123654 - No K5801

Product description Set of five baby rattles: two in the shape of little animals, one in the shape of a foot, one with two smiling faces and the last one with two coloured balls. The packaging is a cardboard box bearing the words: BEST, baby toys. On a label appear the CE mark, 'Made in China', the symbol indicating that the toy is not recommended for children under the age of three and a choking hazard warning in English.

Risk type Choking

Risk description The product poses a risk of choking because one of the balls can be easily detached from the rattle. The toy can easily break generating small parts that fit into the small parts cylinder. The product does not comply with the Toys Directive and with the relevant European standard EN 71.
