Product **Balance board stand - Wii Balance Board Stand**

Brand **Blue Ocean**

Type / number of model **Model number is BOA025. UK.RB. Barcode - 4020628997304.**

Product description **Balance board stand which includes a power supply. The risk is posed by the power supply only.**

Risk type **Electric shock**

Risk description **The power supply poses a risk of electric shock because the connection to the live and neutral pins of the plug is made purely by solder. In the event of the solder failing on one of the pins a short circuit could occur. There is excess wire on the low voltage side of the transformer; if one of these wires were to become loose they could touch the input side of the board. In addition, the transformer does not provide sufficient insulation between the primary and secondary circuits. The plug face and pin sizes are considered to be too small. The product does not comply with the Low Voltage Directive (LVD) and with the relevant European standard EN 60950.**

Product description **Passenger car. Vehicles built between 2000 and 2004 are affected.**

Risk type **Injuries**

Risk description **On the affected vehicles, there is a possibility that the longitudinal arms on the rear axle will rust through on account of inadequate anti-corrosion protection. This may affect the stability of the vehicle whilst in motion or prevent the vehicle from being steered properly which could lead to a road accident.**

Type	<b>Consumer</b>
Product	<b>Washing-up liquid - Super piatti concentrato</b>
Brand	<b>Doctor Line</b>
Type / number of model	<b>Batch No 19009-L122; Bar code 8033247481747</b>
Product description	<b>The smooth white plastic container is made to resemble a muscular man. There is a green/yellow dispensing nozzle (open/close) on the man's head. On the front, under the man's crossed arms, is a yellow sticker bearing the words "Super concentrato PIATTI" in red. On the back is a white sticker bearing the following text: 'Super piatti' contains (Detergents Regulation 648/2004/EC): anionic surfactants, &lt;5%; amphoteric surfactants. Other ingredients: fragrance (Limonene), preservatives (Metthylchloroisothiazolinone, Methylisothiazolinone, 2-Bromo 2-Nitrpropane- 1,3 diol. Does not contain phosphorus - Biodegradability &gt;90% - Batch No 19009-L122 -</b>
Risk type	<b>Chemical</b>
Risk description	<b>The product poses a chemical risk because, in view of the particularly attractive appearance of the packaging, the probability of inappropriate exposure to this product (primarily ingestion) is increased. The container, which makes the product appear to be a toy or doll and gives it a fun appearance, conveys a message that the risk associated with the product is minimal and draws attention away from the content of the product and the general precautions for its use. The detergent contains dangerous</b>

**substances, in particular Sodium Laureth sulfate and Cocamidopropyl betaine, which in the concentration present in the product are irritant to eyes. In addition, it contains limonene, substance which can cause allergic reactions and which implies obligation of warning on the label.**

Notifying country **Greece**

Product category **Lighters**

Type **Consumer**

Product **Novelty lighter - Lighter**

Brand **Flame**

Type / number of model **Art. No.: 2482**

Product description **Refillable novelty lighter in the shape of a green-silver motorcycle (approximate dimensions: 9 x 5 x 3 cm). An LED light is produced from the headlight of the motorcycle by pressing a button on the upper side of the lighter. The flame is produced from the back tyre of the motorcycle by pulling the front tyre and pressing down a mechanism on the front side of the product. The lighters are packed in black carton box marked "FLAME" (12 items), with warnings in Greek and English (approximate dimensions: 16 x 11 x 11 cm).**

Risk type **Burns**

Risk description **The product poses a risk of burns because it is attractive to children, particularly children under the age of 51 months, who may confuse it with a toy. The product does not comply with the Commission Decision 2006/502/EC prohibiting the placing on the market of novelty lighters.**

Product description **<a href="http://ec.europa.eu/consumers/images/rapex/2010-w48/2010-w48\_3-description.pdf">See attached document</a>.**

Risk type **Chemical**

Risk description **The products pose a chemical risk because they contain hexavalent chromium, in concentrations varying from 0.6**

to 5 mg/kg. Oeko Tex Standard 100 states that, to ensure optimum quality, total chromium content should be less than 1 mg/kg for children's clothing and less than 2 mg/kg for all other clothing, regardless of whether it is in contact with the skin. According to the German Federal Institute for Risk Assessment (BfR; 2007), chromium VI should actually be below the detection limit due to the substance's cutaneous sensitisation properties, i.e. its ability to cause allergic reactions such as contact dermatitis. Taking into account that the target population is children who have a tendency to suck on their clothing and that the chromium VI content is above established limit values, we consider that exposure may occur not only via the cutaneous route, but also by the oral and inhalatory route and that the products therefore pose a chemical risk.

Product **Decorative punnet of cherries**

Brand **Unknown**

Barcode **871127704379 0**

Product description **Wooden punnet containing dark red imitation cherries.**

Risk type **Choking**

Risk description **The product poses a risk of choking because these imitation cherries may be mistaken for real fruit. Once the stem is detached, the imitation cherries fit entirely into the small parts cylinder. Therefore, these imitation cherries pose a choking hazard for consumers and children in particular, if swallowed or inhaled, regardless of any warnings provided. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.**
