Notifying country **Poland**

Product category **Clothing, textiles and fashion items**

Type **Consumer**

Product **Blouse**

Brand **Fairfaery**

Type / number of model **not available**

Product description **Blouse made of cotton (35%) and polyester (65%) with a multicoloured (white, red, grey and black) pattern. Long-neck of blouse is decorated with metal buttons.**

Risk type **Chemical**

Risk description **The product poses a chemical risk because of the release of nickel, which is a skin sensitizer. Rate of nickel release from the metallic parts (buttons) is 0,99 to 2,04 µg/cm<sup>2</sup>/week. The product does not comply with the REACH Regulation.**

Country of origin **People's Republic of China**

Measures ordered by public authorities **Other : Corrective action by the imported ordered by the authorities.  
Other**

Products were found and measures were taken also in **Germany  
Ireland  
Sweden**

Alert number **0008/11**

Notifying country **Spain**

Product category **Toys**

Type **Consumer**

Product **Set of plastic dolls with accessories**

Brand **VOGUE**

Type / number of model **Ref.: 22-8801**

Product description **A set including two dolls, one of which is bigger than the other, and various accessories: pushchair, bag, boots, hairbrush, teddy bear, etc. The packaging is pink with the wording 'Vogue Series'.**

Risk type **Chemical**

Risk description **The product poses a chemical risk because the head of the big doll and that of the small doll contain more than 0.2% by weight of bis (2-ethylhexyl) phthalate (DEHP). According to REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or childcare article can be placed in the mouth by children.**

Type **Consumer**

Product **Travel adaptor "Travel Adapter"**

Brand **Tele Long**

Type / number of model **Type: TR-2 Bar Code: 2 032002 156728**

Product description **Universal travel adaptor set**

Risk type **Electric shock**

Risk description **The product poses a risk of electric shock because the user can touch the live part of the adapter pin when the plug part of the adaptor is partly inserted into a socket outlet. In addition, it is possible to insert only one pin of a plug into the adaptor socket. In this case, the user may be electrocuted if he or she touches the other pin of the plug. The product does not comply with the relevant standard IEC 60884.**

Product **Toy car “Racing Exceed”**

Brand **Motordom**

Type / number of model **Product number: NGZ2461293, EAN code: 5900308170281**

Product description **Plastic racing car with flywheel of yellow colour with stickers of various titles and a red driver in the cockpit. Transparent plastic packaging with red-black cardboard.**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a chemical risk because the yellow colour contains 2540 mg/kg lead. The product does not comply with the Toys Directive and the relevant European standard EN 71.**

Country of origin **People's Republic of China**

Alert number **0023/11**

Notifying country **Romania**

Product category **Toys**

Type **Consumer**

Product **Musical toy "Musical Sound Dulcet"**

Brand **FUNNY PIANO**

Type / number of model **no. 7697-1**

Product description **Battery-operated, musical toy, white colour, made of plastic. On the toy there is a transparent window behind which there are small white expanded polystyrene beads that are moved by a rotating wheel. The toy is packed in a cardboard box with a transparent film.**

Risk type **Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of choking because the transparent plastic window is not tight and the expanded polystyrene balls can easily be removed and swallowed by children. The product does not comply with the Toys Directive and the relevant European standard EN 71.**

Product **Blackboard "Tabla Piši Briši"**

Brand **Concord Toys**

Type / number of model **Art. 66-105000**

Batch number **3850223661055**

Product description **Blackboard with green frame and magnetic parts.**

Risk type **Injuries  
Suffocation**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

**The product poses a risk of injuries because the magnets have a magnetic flux index greater than 50 kG<sup>2</sup> mm<sup>2</sup> and could cause an intestinal blockage if two or more were swallowed by a child. The product also poses a risk of suffocation because the thickness of plastic bag with opening perimeter 670mm is 0,022mm. In addition, some heads of the screws have sharp edges. The product does not comply with the Toys Directive and with the relevant European standard EN 71.**

Product **Soother holder "My Baby Baby-Clip"**

Brand **Bino**

Type / number of model **Art. 86500**

Batch number **4019359865006**

Product description **Wooden soother holder with a number of coloured beads and a heart shape. The soother holder is also considered to have a play value so has a double function, as a soother holder and as a toy.**

Risk type **Choking  
Strangulation**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of choking because the wooden elements and the garment fastener present on the soother holder can be easily detached and swallowed. The product also poses a risk of strangulation because the soother holder and the exposed cord are too long. The product does not comply with the Toys Directive and with the relevant European standards EN12586 and EN 71.**

Country of origin **Czechia**
