Product **Incense sticks**

Brand **"Lord Buddha" Darshan Exports**

Type / number of model **8902264013340**

Product description **The articles are packaged in a rectangular cardboard box which is light and dark blue in colour with images of Buddha. The box also bears the brand name, the barcode and the words "DARSHAN Exports".**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because the incense sticks release 72,7 µg/m³ of benzene during combustion and 74,3 µg/m³ of benzene after combustion. Furthermore, the product releases also 18,4 µg/m³ of toluene during combustion and 19 µg/m³ toluene after combustion. As the product is intended for use in closed environments and not to be dispersed by ventilation, the values for benzene and toluene are to be considered harmful to health.

Product **Rubber duck "Devil Duckie"**

Brand **Unknown**

Type / number of model **Barcode 2100011000407**

Product description **Red synthetic rubber duck with black horns**

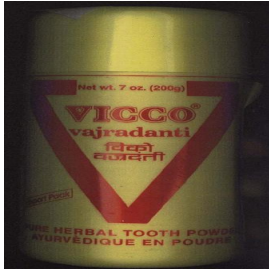

Risk type **Choking**

Legal provisions (at EU level)
and European standards
against which the product was
tested and did not comply

The product poses a risk of choking because the squeaking element can easily come loose. This small component can be grasped with the teeth and it is therefore possible for it to become detached during play and swallowed. The product does not comply with the Toys Directive and with the relevant European standard EN 71.

Brand **Electric House**

Type / number of model **Model 79673 (LP601) Model 79657 (LP701)**

Batch number **-**

Product description **Infrared gas heater**

Risk type **Burns
Electric shock
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of burns because the gas hose is very difficult to mount correctly and can loosen releasing gas which could cause an explosion. The product also poses a risk of electric shock because it is possible to touch live parts whilst replacing the gas cylinder. The product does not comply with the Gas Appliances Directive and the relevant European standard EN60335.
