Product description **Lawnmower with petrol engine and blade brake clutch
(BBC)**

Risk type **Cuts**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of injuries because there is a possibility that the blades can crack. If a piece of the blade breaks off completely it could, in extreme cases, be thrown out and cause cuts to the lower limbs of the user. Throughout the EU three accidents were reported in 2009 and two in 2010. Broken pieces caused cuts and lacerations to the lower limbs. The product does not comply with the Machinery Directive and the relevant European standard EN 836.**

Product **Portable lamp "Mini LED Emergency Light"**

Brand **AI XIN**

Type / number of model **AX 509 (Ref: B070-1) EAN 8 300805 080705**

Product description **Portable lamp shaped as a dog with 2 LED lamps. The lamp has an internal rechargeable battery which can be charged by plugging the lamp into a 230V AC mains socket. May also be used as a nightlight.**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of electric shock because: - the internal wires are not adequately attached to the terminals; - the two pins of the plug are not securely attached; - it is shaped as a dog and may thus be treated as being child appealing; - live parts are easily accessible. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.**

Product **Mask "Horror Mask"**

Brand **Woolbro**

Type / number of model **Bar Code - 5019702802312**

Product description **Plastic Halloween mask, pale orange skin, white teeth.**

Risk type **Chemical**

Legal provisions (at EU level)
and European standards
against which the product was
tested and did not comply

The product poses a chemical risk because the plasticized material forming the mask contains more than 48.9% by weight of di-"isononyl" phthalate (DINP). According to REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or childcare article can be placed in the mouth by children.

Product **Pram**

Brand **Emjot**

Type / number of model **Treeco**

Batch number **-**

Product description **Combined pram, child car seat and pushchair, with four inflatable wheels, the front ones revolving and the rear ones with braking devices. Equipped with handbag, basket, foot muff, mosquito net, rain cover and adaptor for fixing a child car seat.**

Risk type **Choking
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of injuries because it has openings accessible for a child which can cause entrapment of fingers. In addition, there are small detachable parts which are accessible to the child and which can pose a risk of choking. This product does not comply with the relevant European standard EN 1888

Product **Passenger car "Megane II RS"**

Brand **Renault**

EC-type approval/model **The recall concerns vehicles produced between 14-04-2004 and 05-05-2004.**

Product description **Passenger car**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of injuries because the front, right-hand wheel hub carrier could have cracks and, in certain cases, could break leading to a road accident.
