Product category **Motor vehicles**

Type **Consumer**

Product **Motorcycle "Softail"**

Brand **HARLEY-DAVIDSON**

EC-type approval/model **Model year 2011 manufactured before 08-10-10, and other Softail models for which the bodywork control module (BCM) safety system was installed as an accessory.**

Product description **Motorcycle**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

On the affected vehicles, the product poses a risk of injuries as water can enter the bodywork control module (BCM) causing the engine to stop. If the engine stops while the motorcycle is being driven, this could lead to a road accident.

Product

Rechargeable light "LED 20 hours light"

Brand

CASIBAO

Type / number of model

type: CA-319,

Batch number

5998032215712

Product description

Rechargeable light with 30 LEDs. The luminaire includes a base part (with an accumulator, plug, light intensity switch, a mirror, control panel) and a transparent cover.

Risk type

**Electric shock
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock since the user can touch live parts (one of the pins) during normal use when connecting it to the plug. There is also a risk of fire, since the cross-section area of the cord is less than required. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.

Product **Desk-lamp "Soho Office Solutions, Asztali Lámpa"**

Brand **Soho**

Type / number of model **LUNA (art. no: 6617),**

Batch number **6617000001018**

Product description **The cover of the desk-lamp is made of metal. The base part includes an electronic switch. The GX5.35 type ceramic lampholder is suitable for inserting a bi-pin halogen lamp operated from extra low voltage, however the luminaire includes a bi-pin halogen lamp operated from the mains supply.**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a serious risk of electric shock since 1) accessible metal parts that are not normally live may become live, 2) live parts may become accessible. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.**

Product **Doll "Dolci Bebè"**

Brand **Tobia's Giochi**

Type / number of model **No.207186**

Product description **Baby doll with dark skin and blue trousers.**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because the plastic head contains 12% by weight of bis (2-ethylhexyl) phthalate (DEHP) and 0.32% by weight of di-"isononyl" phthalate (DINP). The plastic hands contain 13% by weight of bis (2-ethylhexyl) phthalate (DEHP) and 0.29% by weight of di-isononyl phthalate (DINP). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product **Gas barbecue "Vidar BBQ"**

Brand **Primus**

Type / number of model **440011**

Product description **Portable vapour pressure liquefied petroleum gas appliance.**

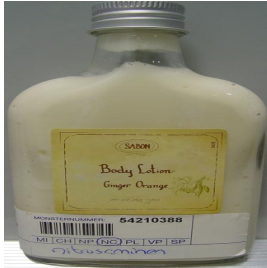

Risk type **Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of fire as there is a risk of explosion of the gas canister caused by the high temperature during use. In addition, the burner does not ignite within 5 seconds and, because of this, unburnt gas could escape which could ignite with a flash. The product does not comply with the Gas Appliances Directive and the relevant European standard EN 521.**
