Product **Laser disco light "Laser Disco Effect"**

Brand **IBIZA**

Type / number of model **LAS 130 RG multi.**

Product description **Black metal laser disco light with bracket to allow suspension. Product is not intended for a specific professional use.**

Risk type **Damage to sight**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of damage to sight because: - there is no laser exposure warning label on the device ; - there are no instructions and warnings for its safe use; The product does not comply with the Low Voltage Directive and the relevant European standard EN 60825.**

Country of origin **People's Republic of China**

Alert number **0252/11**

Product **All terrain vehicle DS 450**

Brand **Can-am**

EC-type approval/model **Type: B Model number: DS 450 EC type-approvals: e13*2002/24*0274*00**

Product description **The vehicles concerned were manufactured in 2009.**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of injuries as the speedometer readings are inaccurate (up to 30% lower than the actual speed). This means that the vehicles can be driven at speeds above the permissible limit, thus increasing the risk of an accident.**

The packaging is made of soft coloured plastic, of various colours - pink, yellow, pale blue and dark blue - containing 10g of hygroscopic beads of a single colour. There is a picture of a flower in a glass bowl full of round and coloured elements. At the top, there are the words “**

Risk type **Choking Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The products pose a risk of choking and injuries because of their misleading appearance; they look identical to berries such as currants, and to sweets (liquorice for the black ones and fruit sweets for those of other colours). In addition, they expand rapidly upon contact with water and may, if accidentally ingested, obstruct the intestine or, if they enter the airway, impede or completely prevent the passage of air, resulting in respiratory distress and/or asphyxia. The products do not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.**
