Product Baby's jumper "Junior & Baby"

Brand Neck & Neck

Type / number of model Model 10I10205 (size 0M, 50-55 cm)

Product description White and pink baby's jumper with pink ties on the shoulder. It has a cardboard label, marked on one side with the indication: NECK&NECK. Junior&Baby. The other side reads, among other things: 10I10205. SIZE: 0M. COLOUR: 30.

Risk type Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of drawstrings in the neck area. The product does not comply with the relevant European standard EN 14682.

Product category Motor vehicles

Type Consumer

Product Passenger vehicle Scudo 1,6JTD and 2,0JTD

Brand Fiat

EC-type approval/model EC type-approval: e1\*2001/116\*0351, e2\*2007/46\*0056\*  
General type approval: L862 Type: 270

Product description The vehicles concerned were manufactured in 2011.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries due to insufficient starting torque and an inadequate screw locking device for the screw in the lower part of the steering column, the steering shaft may come loose on the vehicles concerned. This can lead to loss of control of the vehicle.

Type Consumer

Product Dart board

Brand Unknown

Type / number of model Ref.: 8049103 Bar code: 8499660010283

Product description Magnetic toy comprising a dartboard and magnetic darts of different colours. The packaging is a stiff plasticized cardboard blister pack containing the game, with two labels stuck on the back of the packaging, one bearing the barcode, the reference and the name.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the magnets, which fit into the small parts cylinder, can be easily separated from the darts. They have a magnetic flux index greater than 50 kG<sup>2</sup>mm<sup>2</sup>. The product does not comply with the Toys Directive and with the relevant European standard EN 71.

Product Voltage tester set "Fázismérő készlet"

Brand Promoline

Type / number of model 0220,

Batch number 4895136902207

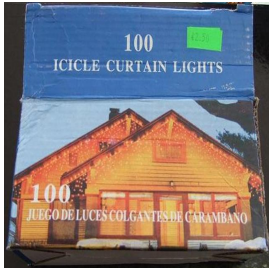

Product description Voltage tester set, 140-190 mm. The package includes 2 voltage testers. Inscriptions: longer voltage tester: Black Bull; shorter one: Made in China 100-500V AC.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock as the un-insulated metal tips of both voltage testers are too long and users could consequently touch the live metal ends of the testers by accident. In addition, the protecting rims on the handles, which are intended to stop the users' fingers slipping off the handle, are not large enough. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 61243.

Product category	Motor vehicles
Type	Consumer
Product	Motorcycles
Brand	Ducati Multistrada 1200 MY2010 and MY2011 Multistrad
EC-type approval/model	The recall affects 2010 and 2011 model year motorcycles.
Product description	Motorcycle.
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of injuries because, upon instrument panel switch-on, the hands-free control unit on the affected vehicles may cause, under special conditions of use, the disengagement of the electronic steering lock to fail. It might hence be possible to start the engine before realizing that the steering is still locked.

Product Lighting chain 35 Luzes

Brand TCC

Type / number of model Bar code: 6901055088064

Batch number -

Product description A lighting chain which includes 35 removable series-parallel connected lamps fitted to a plastic "Merry Christmas" part. Packaging: transparent plastic with cardboard.

Risk type Burns  
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock since the insulation of the cord is not appropriate: it only has single insulation and flashover may occur between the live parts and the lampholders. The product poses a risk of burns since the cross-sectional area of the cable is too small. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.
