Type **Consumer**

Product **Table lamp Sókristály lámpa gömb**

Brand **Mentavill**

Type / number of model **Bar code: 5998282108635; Type: MV-SCG1**

Product description **Sphere-shaped salt crystal lamp. The lamp holder can be inserted into the salt lamp shade. A lamp is attached (15W, E14-capped). Packaging: Cardboard box**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of electric shock since when moving the luminaire the lamp holder with the lamp can fall out and the lampshade can break, resulting in live parts being accessible. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.**

Product **Electric fan heater "Flat Fan Heater"**

Brand **Argos and Homebase**

Type / number of model **Argos catalogue numbers 515/2583 & 415/0190. Homebase article number 458193.**

Product description **Electric fan heater**

Risk type **Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of fire because dust collecting on the heater element can prevent air flow through the element and cause overheating. This overheating is far enough away from the thermal cut outs that they do not operate, however the temperature rise in the immediate vicinity is sufficient to cause the plastic casing to melt. 46 incidents reported.

Product **Mobile phone charger "Travel Charger"**

Brand **Mr Phone**

Type / number of model **Batch Code: ST-099A17**

Product description **Black enclosure, with round ballpoint size LED on the back. Supplied in white and green generic "Cellular" box. Cellular is written in navy blue.**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of electric shock because the internal connections rely upon solder to maintain their position and a loose wire could reduce creepage distances and clearances. The product does not comply with the Low Voltage Directive (LVD) and the relevant national standard BS1363.**

Country of origin **People's Republic of China**

Alert number **0382/11**

Type **Consumer**

Product **Night light 4" Nightlight "Giverney"**

Brand **Benaya**

Type / number of model **Model: A-7107**

Product description **Plug-in night light with ceramic shade**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock because: - the lamp and the cover can be removed whilst the nightlight is inserted into a socket outlet; - the insulation is inadequate as the creepage distances between live parts and the external enclosure is not sufficient; - there is no provision for a fuse, required to provide the nightlight with overcurrent protection. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.
