Product Extension lead "Asztali Sor"

Brand Not known

Type / number of model MH-2117 3m, Bar code: 8685910310320

Batch number -

Product description Cord extension set for 3 plugs, with earth contact, a switch and a 3 m cable, unpackaged. Technical parameters: max 16A, 230V

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because the protection against electric shock is not ensured. In fact the distance between the earth contacts at the socket outlets and the width of the earth contacts are too large. In addition, the product poses a risk of fire because the cross sectional area of the conductors in the cable is not sufficient. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60884.

Product Perfumed incense sticks "Satya Sai Baba Nag Champa

Brand SHRINIVAS SUGANDHALAYA

Type / number of model Code: 8901802001016

Product description The article is sold in a blue rectangular cardboard box, to two sides of which is affixed a white label with red lettering in each case, one showing the brand name and the other identifying the manufacturer of the article.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the incense sticks release $37 \mu\text{g}/\text{m}^3$ of benzene during and after combustion. Furthermore, the product releases also $52 \mu\text{g}/\text{m}^3$ of toluene during combustion and $44 \mu\text{g}/\text{m}^3$ toluene after combustion. As the product is intended for use in closed environments and not to be dispersed by ventilation, the values for benzene and toluene are to be considered harmful to health.
